No. 1. NATHANIEL BUNCH, Farmer, Blacksmith and Mechanic, was born 23 April 1793 in Virginia (probably Louisa County), the son of Charles and Mary (Bellamy) Bunch, who were married 9 Jan 1792, in Louisa Co.,Va. Charles Bunch was the son of Samuel Bunch (The Quaker), and his wife Mary _?_, of Louisa Co., Va. Mary Bellamy was the daughter of John Bellamy of Louisa Co., Va.

When Nathaniel was only a year old his parents Charles & Mary Bunch sold their land in Louisa County, Va., and moved to Grainger County, Tennessee, where some members of the Bunch family had already gone, and where Charles' older brother John Bunch was well established. Nathaniel's father Charles is mentioned in the early records of Grainger County, Tenn:

14 March 1797 Charles Bunch records his mark: "a slit and under heel in each ear". Court record.
20 June 1797 Charles Bunch records deed (Book A, p.30) to 200 acres of land on the south side of Richland Creek on a branch of the same waters of Holston River. (from Joseph Cobb)
20 Feb 1798. Charles Bunch on jury.
30 May 1804. Deed recorded (Bk A, p. 333) Charles Bunch to Valentine Morgan, same land as above.
13 Aug 1812. Charles Bunch records deed (Book C, p 113), part of a 500 acres survey on German Creek, 125 acres, from Charles Kidwell.

Charles and Mary (Bellamy) Bunch disappear from the records and we next find Nathaniel in Overton Co., Tenn., where he married, on November 15, 1810, Sarah Wade Ray, married by John Rollins, J.P. Sarah Ray was also born in Virginia in 1793. Her parents names are not known, but an educated guess would make them a John & Anna Ray.

Nathaniel Bunch was a soldier in the War of 1812, and according to a family legend, fought in the Battle of New Orleans under Andrew Jackson. In his application for bounty land in 1850, Nathaniel stated "that he is the identical Nathaniel Bunch who was a Private in the Company commanded by Capt. Abel Willis, in the 2nd Regt Volunteer Tennessee Militia commanded by Major Charles Sevier under the command of Maj. General Jackson in the Expedition against the Creek Indians in the War with Great Britian declared by the United States on 18th day of July 1812, that he was drafted the fourth day of October 1813, for the term of three months and he continued in actual service for the term of four months and six days and was honorably discharged at Fayetteville (Tenn) the 10th day of Feby, 1814." In his application for additional bounty land in 1855, he stated, in addition to the above, that he "was a private in the Co. commanded by Capt. Abel Willis in the 2nd Regt Tenn Militia commanded by Col. McCrary in the Brigade commanded by Gen. Roberts....that he volunteered for three months in Overton County, Tenn, and with the said company, marched to Camp Coffee on the Tennessee River, where he was mustered into service about the 15th of Oct 1813...."
His original certificate of Discharge was filed with his application papers and is still in the Nathional Archives. It reads:

> "I certify that Nathaniel Bunch a private in my company, V. T. Militia (Vol. Tenn. Militia) under the command of Maj. General Jackson, in the Expedition against the Creek Indians, has served from 4 day of Oct 1813, to the 10 day of Feby, 1814, and is honourably discharged.
>
> Signed: Abel Willis, Capt, 2nd Regt, V.T.M.
>
> Charles Sevier, Major, 2nd Regt, V.T.M.

The Powder Horn carried by Nathaniel Bunch during his service in this war was inherited by his son, Bradley Bunch, then Bradley's son, Thomas Stanford, then Thomas' son Hugh Bunch of Bowie, Ariz. In 1960 it was in the possession of Florence Redman, a stepdaughter of Hugh Bunch.

Nathaniel Bunch came from Overton County, Tenn., to Arkansas in 1841 and made a home for himself and his family in Carroll County. In 1842 Newton County was created and the place of his residence fell in Newton County, in the northwest corner. He was one of the first to settle in that region. His land was located near the junction of Newton, Madison and Carroll Counties. His descendants still own it and live there today.

In 1857-1858 there was an epidemic of what was later believed to be Typhoid Fever which took the lives of a large number of the early settlers, among them Nathaniel Bunch. He died in his home on 16th February 1859. His wife, Sarah was still living 20 Feb 1874, when she applied for a pension. Both are buried in the Old Liberty Cemetery, near their old home in the Dinsmore community, Newton Co.

Nathaniel Bunch and his family came to Arkansas as pioneers. They became farmers, teachers, postmasters, lawmakers and businessmen, and all played an important part in the development of the country.

DESCENDANTS OF NATHANIEL & SARAH (WADE RAY) BUNCH continued

Descendants of Samuel T. & Anna Bunch Allred Compiled by Mrs. J. Frank (Anna Allred)Smith of 106 Ada St. Berryville Arkansas. 1960

Ann Bunch (1814-1893)

Anna Bunch, daughter of Nathaniel Bunch, who was of English ancestry, and Sarah Wade Ray, who was Irish, was born in Overton County, Tennessee, on March 27th, 1814. At 14 years of age she was converted and joined the Church, probably the Freewill Baptist Church as did most of the Bunches, however we have no positive proof. At 16 she was married to Samuel T. Allred and in 1839 they with their five children migrated to Arkansas, and settled here in the Ozarks, the then wild west, where she lived the remainder of her natural life in Carroll, Madison and Newton counties. She was the mother of 18 children, all single births.

In 1857 an epidemic of what is thought to have been typhoid struck the neighborhood and took the lives of many people including her husband and six of her children, her father and a sister, other relatives followed the next year. Then in 1861 came the Civil War and her second son John, whose wife had recently passed away, brought his infant son, John, his young orphaned brother-in-law and sister-in-law, who had been living him since their parents died, to his mother, and went into the Southern Army. He was killed in the Battle of Pilot Knob, Mo. and was buried in the same grave with His Uncle Larkin Bunch. Grandmother raised his child as her own and mothered the brother-in-law and sister-in-law as long as they needed her.

In all of her trouble and sorrow it was said she bore up bravely and courageously, never murmuring or complaining. I've heard my father say he never saw his his mother in tears, but a very few times and never saw her angry, or if she was angry no one could tell it. She practiced what she taught her children, to never speak evil of anyone. Her motto was "If you can't say something good, don't say anything."

As a young lady I was very fortunate in having the privilege to spend a week with Margaret McCollough Smith, the little sister-in-law of my Uncle John Allred, She told me many incidents that happened in her life while she was living with Grandmother, and how Grandmother took so many into her home from time to time during the Civil war and the years that followed. Not only her married daughters, whose husbands were in the army, and their children, but anyone old or young who passed her way, and though many times there was nothing to eat but beans without seasoning or salt, and plain corn bread, she was always willing to share with others less fortunate, and they never failed to have something to eat. My father in speaking of this said when his father was nearing death he called the family to his bedside, shook the hand of each of them and said"Annie" I'm leaving you and the children in the hands of the Lord and you'll never suffer for something to eat". He believed it was the Faith of his father and mother that carried them through, and permitted his mother to give help to others.

He said he remembered one time that Grandmother walked about 3 miles every day for several weeks to carry a gourd full of milk and a pone of corn bread to a sick woman and her two children. After the war when her husband came home he was so grateful to her for keeping his family alive that he went out of his way to help her and her children over some hard places.

She was often called to the sick, sorrowing, and dying, as long as she was able to go, and many a child she helped usher into the world, and according to many old people with whom I've talked she was credited with help ing bring many folks back from seemingly eminent death with the calm and efficient use of remedies such as she had, and her faith in God.

She had no formal education but she was wise in the ways of pioneer living, and she knew the medical value of many of the herbs growing wild in this country.

Continued- Descendants of Samuel T. & Anna (Bunch) Allred

Her youngest son, Reuben K. Allred, my father, remained with her and cared for her through her declining years and on June 21, 1893, she very suddenly and quietly slipped away. Only seven of her children survived her. Her body is resting in the Liberty Cemetery beside her husband and near her children and many other relatives, and also near many bodies placed there by her own hands, and those of her neighbor women, in caskets made from hand riven boards and wrapped in homespun shrouds, during the civil war.

Grandmother died five years before I was born, but to me her Spirit is still very much alive, and sometimes I feel very close to her. Maybe it is because I was named for her, and have heard father and others talk so much about her, and maybe it is because I too was left a widow with a family of young children. Maybe it was Grandmother's Courage that helped bolster my Courage and Her Faith that helped strengthen me when things looked dark. Anyway it was and is the same God that gave us both the strength we needed to carry on. God Bless her memory. -- Mrs. J. Frank Smith
(Ann W. Allred) 1960

P.S. I am indebted to my cousin, the late Biddie Marrs Carlton, her record, of some of the dates mentioned here. Anna.

(Reuben Kirby Allred) MY FATHER (By Anna Allred Smith.)

Out there Daddy sleeps
But why should I weep
When his spirit is free as the wind?
He fought a good fight
Always stood for the right
And he lived past his threescore and ten.

The lessons he taught
Have lighted my path
All down along the way I have come.
And I hope to some day
Clasp his old hand and say,
"Look Daddy! See Here! I've got home."

If I can leave mine
The assurance divine
That I've gone where there's never a strife
And have taught them the lessons
That daddy taught me
And have backed them up with my life.

Then I've not lived in vain.
And if I can but lead
A firm and helping hand so someone,
Then my toil will be sweet
And my rest more complete.
As I travel toward Life's setting sun.

If my neighbors and kin,
My family and friends,
Can say when I'm laid 'neath the sod
That I've fought a good fight,
Always stood for the right
And have pointed their way toward God.

Then I don't ask of fate
To let me be great
Just humble and true day by day.
I ask nothing more
Of Life's bountiful store,
And Daddy would have it that way.

"Grand Lodge F.& A.M. of Arizona. Office of the most worshipful Grand master: Wilcox Ariz, June 15, 1911.
To the Brethern of the Lodges in the Jurisdiction of the Grand Lodge of Ariz. and to all Grand lodges in Fraternal Correspondence:
It is with the deepest sorrow that I announce the death of our beloved Right Deputy Grand Master,

THOMAS STANFORD BUNCH

who died in Los Angeles Calif, June 10th and was buried in Safford Ariz June 14,1911, for which purpose an extra communication of the Grand Lodge was convened. Judge Bunch, as he was familiarly called by his many friends, was born in Carroll Co. Ark. June 22, 1852, He was a graduate from a law school in Ark. and in his native county served as probate judge for one term. In 1883, he moved to Apache Co. Ariz., where he lived for many yrs, and practiced his profession, and for two terms served the county as D.A. He moved to Coconino Co. 12 yrs ago, & served that county as a member of the Territorial Council for one session. About 10yrs. ago he came to Graham Co. where he has been one of the most energetic of its citizens and public men in the development & promotion of the resources of the Co. At the last election he was elected to the Probate Judgeship.
As a public man he was very popular with all classes and in every movement for the betterment of the country he was always found in the forefront of the battle, whether educational, moral, commercial or otherwise. Any move that would tend to uplift his fellow men he was not only interested in, but active in its advancement and as a result the history of our great Territory will record the fact

of his his activities in the great moral and commercial progress of our new state in years to come. His public life has not been lived in vain, and as a community his presence and wise council will be sadly missed.
Brother Bunch was made a Mason in Ark. and at the time of his death was a member of the Safford Lodge No 16, Globe Chapter No7, R.A.M., Arizona Cammandery No.I knights Templar, and Cacadia Chapter No 9 O.E.S He was a Past Master of Safford Lodge No. 16, and in the Grand Lodge served as Junior and Senior Grand Warden and was at the time of his death Deputy Grand Master. He was married to Miss Ova Scarborough, of Carroll Co. Ark. Dec.8th, 1878, who survives him with 3 sons Hugh, Edwin, & Thomas - to whom we extend our sincerest sympathy.
A man and a Mason held in the very highest esteem by his brethern of the Mystic tie, in whose councils and deliberations he was an important factor in all those things that pertained to the teaching of Masonry and the general uplift of his brethern. Our hearts are heavy because we shall miss him from his chair in the councils of our beloved order.
As a mark of respect to his memory let this announcement be read in open lodge at the first stated communication after its receipt and the alter Lodge suitably draped for a period of thirty days. Henry A. Morgan, Grand Master.
Attest: George J. Roskruge, Grand Secretary.

Who's Who in Arizona Published 1913, Page 316.
Professor E.C. Bunch recently appointed Assistant Superintendant of the Ariz. Schools, has been interested in school work all his life, and is, therefore, eminently qualified to fill the position to which he has been chosen. He is the son of Bradley Bunch, and Jane Boswell Bunch, and was born in Berryville, Ark, in 1856. His grandfather Nathaniel Bunch, Captain of the Tennessee Militia fought under Andrew Jackson at the Battle of New Orleans, and the Powder flask

carried by him during this battle is still in existance & much treasured by its possesspr, Hugh Bunch of Bowie Ariz., a nephew of Professor Bunch. In 1876 Professor Bunch first came to Ariz. and after a time left here for Oregon, but he freely confesses he was glad to return and he did so with a determination to make Ariz his permanent home. Apart from his home work as an educator, the first important enterprise in which he was engaged was the construction of a large ditch and reservoir in Ariz. Although the main work of his life has always been educational, he had during the greater part of the time been devoting much time and energy to development projects, irrigation mostly, and he completed the Owyhee Canal in Oregon, which supplies water for more than 40,000 acres of land. In addition to his school & development work he found time at various intervals to act as Justice of the Peace, Probate Judge, and Undersheriff of Apache Co. and he remembers when it was customary to adjourn Court with a six-shooter. He was also a member of the Twenty-fourth Legislature from Maricopa Co, and served as Chairman of the special committee that had charge of all the gambling legislature during the session. He is an active member of the Odd Fellows, and both Mrs. Bunch, and he are prominent members of the M.E.Church. Mrs Bunch, before her marriage, 1885 was Miss Ellen Weatherford, of Richfield Mo. Professor Bunch has one daughter, Edith, and 5 sons, Carl, Conway, Harry, Alvin, And LeRoy

DESCENDANTS OF LARKIN C. BUNCH 1827-1864

(Compiled by Blanche Whiteley Pratt and Carl Bunch)

1-10 LARKIN C, BUNCH (Son of Nathaniel & Sarah) b, Oct.24,1827, in Overton Co. Tenn. Lived in the Dinsmore community of northwest Arkansas on the land that his father was awarded for his service in the War of 1812. The land is still owned by the descendants of Larkin (See 1-10-1-7) Larkin was a Captain in J. D. Walker's Regt.Company "B" during the Civil War. He was killed Sept. 24, 1864, in the Battle of Pilot Knob Mo. near St Louis, was carrying the flag when killed. Was buried in the same grave with his nephew, John Allred.

The following is a letter he wrote to his wife.

Elm Springs, Sept. 10th, 1862

Dear Eliza: This leaves me well, & the health of the boys is very good. We left 4 of the boys at Mount Comfort 4 miles from Fayeteville, they live in the other end of the county. Alexander McCollough has had the measels. He has been with us all the time, but one day we left him at Fayetsville. It was raining, he came up that night. He is now nearly well. He is about whenever he pleases. The 1st Regiment is started this morning to meet the Feds which is Reported to be advancing on us. We have here in all the commnads, some 20,000 troops. We are ordered to stay here till we are armed. We will be here some time if no bad luck in the advancing troops. I have nothing of interest to write,you.heard of our stampede at Huntsville. So no more at present. Larkin Bunch

Larkin was Mar: on Oct.24, 1852, to Eliza Maxwell, who was b, May 8, 1835, in Overton Co. Tenn. Dau of Joel& Clarissa(Moore)Maxwell. On Nov.28,1878, Eliza mar:(2nd) J.C. Reeves of Dry Fork Ark, she died April 12,1891, and was buried in Liberty Cemetery.

OBITUARY

REEVES- Mrs. Eliza Reeves (nee Maxwell) dau. of Joel & Clarissa Maxwell, was b. in Overton Co.Tenn May 8, 1835. At the age of 4 she, with her parents moved to Ill, where her father died. Two yrs after with her widowed mother she removed to Johnson Co. Ark. where they remained 5 yrs, and then removed to Franklin Co. In Sept. 1852, while on a visit to her grandfather Moore's in Madison Co, she was converted at the Methodist Camp-ground on King's river, & on the 24th day of the following October she was happily married to Larkin Bunch of Newton Co. He was a member of the Freewill Baptist Church, a bro. of Hon. Bradley Bunch of Carroll Co. A man of good repute. In 1855 she joined the M.E.Church South, at Shiloh and from the day of her accession to the time of her triumphant departure, she was a devoted and useful member. In 1864, her husband, Capt. Bunch, was killed in the battle of Pilot Knob. She was left with 5 helpless children to raise. By her industry and economy she did this creditably. They are all living, and all save one are members of the Church, two Methodist, and two Free-will Baptist, all are honorable & respectable citizens. The present Circuit Clerk of Madison Co. is a son of hers. Nov. 28,1878 she was again happily married to J.C. Reeves, of Dry Fork. Uncle John, as he was called by his neighbors, was a leading member of both the M.E. Church South and the community, a well-to-do farmer. Her home was always characterized by a generous hospitality. It was the home of both Methodist, and Baptist preachers. Eight years ago, this writer, together with her pastors, G.P,R.Bandzant, P.C. & H.C.Jolly P.E., had the pleasure of a visit to her happy home. All who came under her roof felt that hers was a happy home, and that all the inmates thereof, were heaven bound. I am told by her pastor, J.W.Griffin that she every morning, despite the pressure of business, read a chapter in the Bible. She was held in high esteem by a host of faithful friends from whom she, by the consistency of her christian life, drew about her. She got the LaGrippe, & Pneumonia,& tho her friends & devoted husband did all they could, on April 12,1891, she died in Peace. She leaves her aged mother, 4 sons,1 Dau, & sorrowing husband who says"She was a good Christian Woman". A large company of neighbors attended her burial. "Let me live the life of the righteous, and let my last be like hers. --Alex Mathes

THE CLIPPING IN THE BERRYVILLE PAPER ON ELIZABETH JANE REEVES-BUNCH

When she was 95, - by Edith McCall

I am afraid that I'll have to disagree with the person who said, "Beauty is only skin deep". for after meeting this precious soul, who last July passed her 95th.Birthday, I find her to be one of the prettiest women I have met & her beuaty comes from her very heart & soul. To better describe Elizabeth Jane is to put it into words like this:

1She is good as she is fair,
None here on earth above her
2, As pure in thought as Angels are,
To know her is to love her.

Ples & Mary Reeves were among the pioneer people who settled in the Dry Fork Community, & Helped to establish the Shiloh Methodist Church in order that their children & neighbors children would have a place to worship. It seems that this church has been there from the beginning with the community growing around it. What a wonderful foundation to build a community.

Elizabeth Jane was the oldest of the three Reeves children and was one of many children who grew up in the shadow and shelter of this little church. She also grew up knowing that every garment she owned must first begin with a tiny boll of cotton picked and carded, then to the spinning wheel, on to the loom & then many hrs of sewing by hand before that beautiful Lindsay dress became a reality.

At the age of 17, Elizabeth became the bride of Stillman Bradley Bunch, a descendant of the Honorable Bradley Bunch who was a farmer of Carroll Co & was known as one of the most prominent citizens of Northwest Arkansas. From those I have met, those Bunch men, have a "Knack"for choosing wonderful women.

The wedding took place on Feb.1,1877, in the home of Elizabeth's parents with only a few close friends present. The late Isaac Whiteley, a United Baptist minister read the ceremony. Following their marriage Mr. Bunch took his bride home to the house where he was born. Today part of her home is the original house she went to as a bride.

Seven children came to bless this couple; six girls and 1 boy who passed away at the age of 15, following a severe case of appendicitis. The daughters are; Mrs. Sally Eden of Rocky, Okla, Mrs. Ova Eden of Preston Tex. Mrs. Mary Whiteley of Twin Falls Idaho, Mrs. Mirtie Armes of Boulder Colo. Bell & Genia Fancher, both of Huntsville, Route 4.

Mr. Bunch passed away on his birthday, Aug.27,1935,following a short illness.

Can you imagine Elizabeth keeping dresses for all those six daughters, to say nothing of the clothes for the rest of the family? At this point of our conversation, I asked her if she didn't find the going pretty rough in those days with all the work that had to be done in preparing cloth before it could be made into clothes. She only laughed at my question and went on to say how she sat up nights weaving & spinning with no light except that from the old-

fashioned fireplace.

What a beautiful picture that must have made, this little mother, with the face of an angel, sitting there making her spinning wheel hum to the tune of the many religious songs she sang such as, "Savior like a Shepherd lead us."

Elizabeth has always been some what of a perfectionist in everything she did, but the one thing that made her "get up early and work late", was the mere sight of a weed in her garden; she hoed weeds, she pulled weeds, she literally went down into the good earth after them. It was certain death to any weed that happened to pop up overnight. She kept up the battle of "Elizabeth vs. Weeds" until she passed her 90th birthday.

She is a person who could never stand to be idle and when she could no longer work in her garden she began asking the neighbors for rags to be made into rugs they brought her sacks of them, & it was not long before those neighbors & friends were being paid dividends for their rags, "Aunt Elizabeth" repaid them in the prettiest croched rug patterns you ever saw.

Did I say before that she is sweet? Well she is more than that, she is so precious she is priceless and most certainly a person who can never be forgotten by those who knew her. Aunt Elizabeth has never had the worry of moving around. In fact she lives within 3 miles of the place where she was born.

She has 41 grandchildren, 66 great-grandchildren, and 14 great-great-grand children. At Christmas time last year these children were in doubt as to the gifts to give her, so they finally decided to each give her a dollar, now this idea did not make her a rich woman, but count up the number of $ she received. No, she tells me, "I love these grandchildren of mine and I am proud of every-one of them, and I do know this- to have so many they are the best bunch on earth, not a heartache from any of them.

Aunt Elizabeth, I have always said no one on earth could come up to my mother when it comes to patience, love, and kindness, but you surely run a mighty close second to her. # # # # # # # # # # # # # # #

THE FOLLOWING IS THE CLIPPING IN THE EUREKA SPRINGS ARK. PAPER ON ELIZABETH JANE REEVES-BUNCH, WHEN SHE CELEBRATED HER 100th BIRTHDAY ON JULY 14,1959.

Mrs. Elizabeth Jane Reeves-Bunch, celebrated her 100th birthday anniversary at her home at Dinsmore Ark. Tue July 14, with relatives and friends dropping in to congratulate her. She received many cards of good wishes. A big dinner was served, with 4 beautifully decorated cakes.

The day was spent visiting, and taking pictures. When the above picture was taken by her great-grandson, Joe Head, of this city, she said, with a sly grin, "I don't look so old, so I?

On Feb.1, 1877 she was married to Stillman Bradley Bunch, who passed away in 1935. They were the parents of 6 dau & 1 son. Living are; Mrs. Sallie Eden of Rocky Okla. Mrs. Ova Eden, Princetown Tex. Mrs. Mary Whiteley, Twin Falls Idaho, Mrs. Belle Fancher, and Mrs. Genia Fancher of Rt.#4 Huntsville. Deceased are Ottie Bunch, who passed away at the age of 16, and Mrs. Mirtie Armes. She has 40 living grandchildren, 5 deceased, and 83 great-grandchildren, and 27, great-great grandchildren.

Mrs. Bunch is living on the farm where her late husband was born and where she has lived since he took her there as his bride 81 yrs ago. She has led a very busy and full life, but for the past 2 yrs her health has been so that she could not have much activity or excitement. However, she is able to spend several hours each day out of bed.

Out-of-state relatives present for the occasion were Mr&Mrs.Noble Whiteley, & dau. Beverly & Brenda, of Twin Falls,Idaho, Mr.& Mrs. Winfred Eden, Rocky Okla. Mr.&Mrs.Earl Eagleston, Columbus Kan. Mrs.John Bowman, & son John Alan, of Tulsa Okla, John Alan was the only great-great grandchild present. LOCAL LADY IS WINNER OF $200.00 on T.V. PROGRAM. MRS. MAXINE WHITELEY GETS CASH & FINE AUTOMATIC WASHER.

Mrs. Maxine Whiteley, the former Maxine Fancher of Rt.2,Huntsville was awarded $200. in cash, & the latest model automatic washer on the "Strike it Rich" nationally televised program, from New York City on Dec.28. The program is primarily to help unfortunate people or the physically handicapped.

Mrs. Whiteley's sister, Mrs. Vernell Guess of Albany Mo. Wrote a letter to the "Strike if Rich" program asking aid for her sister & on Dec. 28, her letter was picked to be read on the air & as much help as could be given her, by the winner of the program. Mrs. Whitlely's helping hand, as the person who actually appears on the program is called was a young actor, named Bradford Dillman. who won $200. for Mrs. Whiteley.

Officials of the Maytag Corp.,with headquarters in Newton Iowa, called while the program was on the air to say that they were sending Mrs. Whitlely the washer & that it would be installed by the Easterling Maytag Co.of Huntsville. Mr. Easterling stated that the machine had arrived here and that it would be installed in the Whiteley home as soon as the water connections could be made.

Mrs. Whiteley gave us the following information as to how she received the place on the program: On Feb. 23, 1955 I was operated on for a tumor of the spine, & it left me paralyzed from the waist down. I was in the Burge Hospital in Springfield Mo. "My sister, Mrs. Vernell Guess, Of Albany Mo. wrote a letter to "Strike it Rich" She sent the letter to Rev. Cecil Garrison of Spring-

dale to have him verify it berore sending it on to the program. About a month later, I received some papers to fill out & had Dr. Smith & Rev. Steve Montgomery verify them. "On Dec. 28, 1956, my letter was picked and a young actor, Bradford Dillman, was my helping hand. He won$200. Then the Maytag Co sent in a heartline call saying that they were sending the latest model in a Maytag Washer for which my sister asked. So I got the $200. & the washer.
"I was ironing that morning, and wasn't watching the program. In fact I didn't think my letter would ever be read, so I didn't watch very often. The Rev. Morrison of Huntsville First Baptist Church came to tell me, first. I never was so surprised. I never won anything before in my life. "I believe that my husband, Carl, & my dau. Carla Sue who is 7 yrs old were happier than I if possible, for they did most of the washing.

I hope all of you receive as much enjoyment from reading and possessing the "FAMILY TREE" as I have had typing and mimeographing it.
I am sure there are many mistakes, but I have tried to copy all of this faithfully. It has been a lot of work - more than I figured in the first place, because I had just the old part, and a little on descendants of Nathaniel.
I want to thank Geneva King - who has helped me so faithfully through all of this. She has acquired, and sent to me most of the information on descendants of Nathaniel. She has worked hard, and is a wonderful secretary of our reunion.
Thanks too, to the other faithful "compilers", Who have sent material to her & me. This whole manuscript has been the work of many people, many have helped.
Thanks to my mother - Mrs. Ella Bunch, who acquired the old record, and loaned it to me to copy all this for you.
We are all indeed indebted to R.H. Bunch of Chicago Ill. who has spent a lot of time in the past hunting up old records. Things we could not find now.
I made up our "Family Tree" like this, so each of you can get your own notebook, to keep it in. This way pages can added as the years go by and we need them.
Will each one PLEASE send to Geneva King Rt. 2 Nowata Okla. all the changes that occur in your family. Births, deaths, weddings. Help us keep the record straight.
Your typist, and mimeographer - Mrs. Nettie Pitcock 416 W. Northern,Pueblo, Colo.

I hope all of you receive as much enjoyment from reading and possessing the "FAMILY TREE" as I have had typing and mimeographing it.
I am sure there are many mistakes, but I have tried to copy all of this faithfully. It has been a lot of work - more than I figured in the first place, because I had just the old part, and a little on descendants of Nathaniel.
I want to thank Geneva King - who has helped me so faithfully through all of this. She has acquired, and sent to me most of the information on descendants of Nathaniel. She has worked hard, and is a wonderful secretary of our reunion.
Thanks too, to the other faithful "compilers", Who have sent material to her & me. This whole manuscript has been the work of many people, many have helped.
Thanks to my mother - Mrs. Ella Bunch, who acquired the old record, and loaned it to me to copy all this for you.
We are all indeed indebted to R.H. Bunch of Chicago Ill. who has spent a lot of time in the past hunting up old records. Things we could not find now.
I made up our "Family Tree" like this, so each of you can get your own notebook, to keep it in. This way pages can added as the years go by and we need them.
Will each one PLEASE send to Geneva King Rt. 2 Nowata Okla. all the changes that occur in your family. Births, deaths, weddings. Help us keep the record straight.
Your typist, and mimeographer - Mrs. Nettie Pitcock 416 W. Northern,Pueblo, Colo.

1. NATHANIEL^6 BUNCH, son of Charles and Mary (Bellamy) Bunch, was a farmer, blacksmith, mechanic; was born 23 April 1793, in Va., probably in Louisa County, where his parents hadlived and where they had been married 7 Jan 1792. His parents moved to Grainger County, Tenn., about 1797, and Nathn'l grew up there. He was married 15 Nov 1810 in Overton County, Tenn., by Justice of the Peace, John Rollins, to Sarah Wade Ray, who was born in 1793 in Virginia (parents not known). Nathaniel Bunch served in the War of 1812, and according to family legend, fought in the Battle of New Orleans under Andrew Jackson. He was drafted in Overton Co., Tenn., for a period of three months but continued in actual service for four months and six days, and was honorably discharged at Fayettville on 10 Feb 1814. His original Certificate of Discharge is now in the National Archives, Washington, DC, and states the following:

> "I certify that Nathaniel Bunch, a private in my comapny of Tenn. Militia under the command of Major General Jackson, in the expedition against the Creek Indians, has served from 4th day of Oct 1813 to the 10 day of Feby, 1814, and is honourably discharged. Signed: Abel Willis, Capt. 2nd Regt V/W.T.M.: Charles Sevier, Major, 2nd Regt., V/W.T.M."

Nathaniel Bunch and his family moved from Tennessee to northwest Arkansas in the early 1840 's. He first located in Boon Co., then moved to Newton Co., on the headwaters of Osage Creek. He was awarded 160 acres of bounty land for his service in the War of 1812: 80 acres on his application of 27 Dec 1850; and 80 acres on his application of 5 May 1855. This land was located in Newton Co., Ark., near the junction of Newton, Madison and Carroll Counties. Descendants still own it and live there today. Nathaniel Bunch died 16 Feb 1859 of Pneumonia Fever. His wife Sarah was still living as of 20 Feb 1874, in Newton Co., Ark., when she applied for a pension. Both are buried in the Liberty Cemetery near their old homeplace in the Dinsmore community, Newton Co., Ark.

No. 1. NATHANIEL BUNCH, Farmer, Blacksmith and Mechanic, was born 23 April 1793 in Virginia (probably Louisa County), the son of Charles and Mary (Bellamy) Bunch, who were married 9 Jan 1792, in Louisa Co., Va. Charles Bunch was the son of Samuel Bunch (The Quaker), and his wife Mary ? , of Louisa Co., Va. Mary Bellamy was the daughter of John Bellamy of Louisa Co., Va.

When Nathaniel was only a year old his parents Charles & Mary Bunch sold their land in Louisa County, Va., and moved to Grainger County, Tennessee, where some members of the Bunch family had already gone, and where Charles' older brother John Bunch was well established. Nathaniel's father Charles is mentioned in the early records of Grainger County, Tenn:

14 March 1797 Charles Bunch records his mark: "a slit and under heel in each ear". Court record.
20 June 1797 Charles Bunch records deed (Book A, p.30) to 200 acres of land on the south side of Richland Creek on a branch of the same waters of Holston River. (from Joseph Cobb)
20 Feb 1798. Charles Bunch on jury.
30 May 1804. Deed recorded (Bk A, p. 333) Charles Bunch to Valentine Morgan, same land as above.
13 Aug 1812. Charles Bunch records deed (Book C, p 113), part of a 500 acres survey on German Creek, 125 acres, from Charles Kidwell.

Charles and Mary (Bellamy) Bunch disappear from the records and we next find Nathaniel in Overton Co., Tenn., where he married, on November 15, 1810, Sarah Wade Ray, married by John Rollins, J.P. Sarah Ray was also born in Virginia in 1793. Her parents names are not known, but an educated guess would make them a John & Anna Ray.

Nathaniel Bunch was a soldier in the War of 1812, and according to a family legend, fought in the Battle of New Orleans under Andrew Jackson. In his application for bounty land in 1850, Nathaniel stated "that he is the identical Nathaniel Bunch who was a Private in the Company commanded by Capt. Abel Willis, in the 2nd Regt Volunteer Tennessee Militia commanded by Major Charles Sevier under the command of Maj. General Jackson in the Expedition against the Creek Indians in the War with Great Britian declared by the United States on 18th day of July 1812, that he was drafted the fourth day of October 1813, for the term of three months and he continued in actual service for the term of four months and six days and was honorably discharged at Fayetteville (Tenn) the 10th day of Feby, 1814." In his application for additional bounty land in 1855, he stated, in addition to the above, that he "was a private in the Co. commanded by Capt. Abel Willis in the 2nd Regt Tenn Militia commanded by Col. McCrary in the Brigade commanded by Gen. Roberts....that he volunteered for three months in Overton County, Tenn, and with the said company, marched to Camp Coffee on the Tennessee River, where he was mustered into service about the 15th of Oct 1813...."
His original certificate of Discharge was filed with his application papers and is still in the Nathional Archives. It reads:

> "I certify that Nathaniel Bunch a private in my company, V. T. Militia (Vol. Tenn. Militia) under the command of Maj. General Jackson, in the Expedition against the Creek Indians, has served from 4 day of Oct 1813, to the 10 day of Feby, 1814, and is honourably discharged.

WORKBOOK

The Powder Horn carried by Nathaniel Bunch during his service in this war was inherited by his son, Bradley Bunch, then Bradley's son, Thomas Stanford, then Thomas' son Hugh Bunch of Bowie, Ariz. In 1960 it was in the possession of Florence Redman, a stepdaughter of Hugh Bunch.

Nathaniel Bunch came from Overton County, Tenn., to Arkansas in 1841 and made a home for himself and his family in Carroll County. In 1842 Newton County was created and the place of his residence fell in Newton County, in the northwest corner. He was one of the first to settle in that region. His land was located near the junction of Newton, Madison and Carroll Counties. His descendants still own it and live there today.

In 1857-1858 there was an epidemic of what was later believed to be Typhoid Fever which took the lives of a large number of the early settlers, among them Nathaniel Bunch. He died in his home on 16th February 1859. His wife, Sarah was still living 20 Feb 1874, when she applied for a pension. Both are buried in the Old Liberty Cemetery, near their old home in the Dinsmore community, Newton Co.

Nathaniel Bunch and his family came to Arkansas as pioneers. They became farmers, teachers, postmasters, lawmakers and businessmen, and all played an important part in the development of the country.

EXPLANATION OF ORDER FOR PHOTOCOPIES

Some years ago, in order to reduce the cost of our service and to decrease the likelihood of copying errors, we discontinued the practice of transcribing genealogical information from the records and adopted, instead, the practice of furnishing photocopies of the original documents for a fee. This practice has proved, on the whole, satisfactory to our patrons.

Now, in order to reduce the average amount of fees and to speed up our service, we have installed a flat fee system.

Please use the reverse of this form to order photocopies of records relating to a person who served in the United States or Confederate Armed Forces. We can furnish photocopies relating to the following subjects:

a. United States military service before World War I and Confederate military service;

b. United States (not Confederate or State) pensions claimed on the basis of service before World War I; and

c. United States (not State) bounty lands claimed on the basis of service before 1856.

Send us the completed form with one dollar. If you send more than one form at one time, your remittance should be for as many dollars as you send forms. Each order will be handled separately; so you may not receive all your photocopies at the same time. Be sure to enter your name and address on each form.

If we find a file for the person identified by your order, we will send photocopies of the documents we think most likely to be of interest to you. If we do not find a file that we can identify with the person in whom you are interested, we will refund your money.

BUNCH FAMILY IS AMONG THE PIONEERS

From "The Ozarks Mountaineer,"November, 1957.

The Mountaineer continues its occasional features about old families of the Ozarks that settled here long before the Civil War and have maintained family continuity throughout these long years. The old home place, established by the first of these lines, remains a proud possession, and there the annual reunions are held. The following article is about the Bunch family of Carroll County (Ark) and the dwelling that the pioneer (Bradley) built where his descendants still live.

Another of those fine old pioneer families who settled in Northwest Arkansas is the Bunch family. Their individual names would likely fill more than the twenty pages of The Mountaineer. The annual family reunion, recently held on Lake Atlanta, Rogers, Ark, drew "bunches" of relatives from several states - Texas, Oklahoma, Missouri, Ohio, Illinois, Kansas, and Arkansas. The 1958 reunion will be hald at the home of H. Denman Bunch, at Afton, Okla.

J.B. Bunch, of Berryville, Arkansas, president of the reunion since its revival in 1952, is endeavoring to resurrect the family tree. He has traced the ancestors from London, England, to Virginia, where John Bunch settled in 1652. The colony then was in its infancy.

Five Bunch brothers landed later at Alexandria, Virginia, in 1732, and settled in the counties of New Kent, Hanover and Louisa, according to the family records. Nathaniel Bunch, born in Virginia in 1793, was the first to come to Arkansas, in 1838. He died in 1859 and was buried in the family cemetery at Old Liberty, near the junctions of Carroll, Madison and Newton counties. The reunion has purchased a momument to be erected at his grave.

Bradley Bunch, son of Nathaniel, was born in 1818, and came with his father to Arkansas. His record of public service is outstanding in the annals of early county and state government. He acquired an ordinary education in the old home community in Carroll County, later removing to near Berryville, the county seat. He was county representative in the state legislature from 1854 to 1860 and again in 1866, at which session he was Speaker of the House. He was elected state senator in 1862 and served in a short session in Little Rock and in a called session in Washington, Hemstead County, when the state government was removed to the latter place in 1864. He was returned to the senate and served as its president in 1874, and was a member of the State Constitutional Convention of that year which gave Arkansas its present Constitution. He died January 9, 1890, and was buried in the family cemetery near his home north of Berryville.

The old Bradley Bunch home has become a family shrine. The Carroll County Historical Society held a recent meeting there and designated it as the oldest house in the vicinity of Berryville, to be used continuously as a residence since its erection in 1848, more than a century ago.

This well-preserved old frame home must have been an exceptionally nice country home in its early day. It has two large rooms, with hand-hews stone chimney at either end. What could have been a hall-way ("dog trot") was a smaller middle room. The kitchen-dining room forms an "L" in the back. The front porch, torn away by a tornado years ago, has been replaced , as has the roofing made of 3/4 inch think, 3 foot long hand-riven boards. The

Lumber was hand-planed with a drawing knife. The nails were made at a blacksmith shop. The lumber and the chimney stones, quarried at the nearby Charley Bunch place, were hauled to the site on ox-drawn wagons.

The original hand-made doors were fastened together with wooden pegs. Limestone was burned at the quarry to make the mortar for holding the stones in place and to mix with buttermilk to whitewash the building when it was finished.

The land on which the house stands was homesteaded by Andrew Jackson Vaughn, November 15, 1854, but the patent, issued by President Franklin Pierce, was not recorded until October 19, 1953. The property was purchased by Bradley Bunch in March, 1857. Ownership of the house has remained continuously within the family since that date. Mrs. Violet Keck, granddaughter of Bradley Bunch, is the present owner.

BUNCH FAMILY REUNION HELD LAST SUNDAY

The Bunch Family held the annual reunion at Liberty Church on Dryfork Creek Sunday, July 5. Various sections of Arkansas were represented and out-of-state people were in attendance from Oklahoma, Colorado, Texas, and California.

Those attending the reunion from Berryville were: Mr. and Mrs. Johnnie Long, Mrs. Henry Bunch, Mrs. Joe Thomas, Mrs. AnnaSmith, Raphu Allred, Mr. and Mrs. George Williams, Mrs. Manta Hamby, Mr. and Mrs. Claude Newberry, Coy Logan, and Miss Violet Keck.

At the noon hour a table was spread that provided food for everyone. J.B. Bunch presided at the meeting. He displayed a big scrap book of history and information about the Bunch family. He says he is not alone in collecting this information. Carl Bunch of Springdale has helped. Mrs. Geneva King, of Nowata, Oklahoma, and Mrs. Eunice Bradbury of California have given a lot of their time to collect the family history.

J.B. introduced some of the older people who were present. He said Mrs. Elizabeth Bunch (Mrs. Tem Bunch) was not able to attend the reunion. She will be one hundred years old this month.

Mr. Bunch pointed to old pictures and charts on the wall to explain the different lines and relations in the family. Walter Lackey, President of the Newton County Historical Society, spoke to the group telling about the Bunch people that came here as pioneers. They became farmers, teachers, postmasters, law makers, and businessmen who played an important part in developing this section of the country.

Coy Logan presented a recording of some Bunch family history that J.B. Bunch had helped to collect. This tape recording tells some history of Carroll County as Bradley Bunch knew it in 1876. Bradley Bunch was the first of the family to come to Arkansas. He came in 1838. In the history Bradley Bunch tells how the people lived in 1876. He tells some things about the schools at that time. In the recording J.B. read a letter that Larkin Bunch wrote to his wife when he was stationed with the Confederate troops near Fayetteville. He was killed later at Pilot Knob, Mo. This recording will be used for the Voice of The Schools Program over Berryville Radio Station KTCN Sunday, July 12, at 5:00 p.m.

A few years ago this organization raised funds to erect a gravestone for Nathaniel Bunch. At this meeting the group started a fund to buy a stone to be erected for the grave of Sarah Bunch. Nathaniel and Sarah were the parents of the original Bunch family.

The group voted to meet at Rogers next year. Carl Bunch was named to make arrangements for a place to meet. The date of the annual reunion meeting will be the first Sunday after the Fourth of July.

Mr. and Mrs. Hayes Bunch of Vinita, Okla., spent the week-end here with Mr. Bunch's mother, and with his sister, Mrs. John Long and Mr. Long. They also attended the Bunch Reunion at Liberty, Sunday.

Mr. and Mrs. Charley Bunch, who have been visiting relatives here for several weeks, returned to their home in Compton, Calif., this week.

Mr. and Mrs. George Williams had as guests over the week-end, Mrs. Williams aunt, Mrs. Ella Bunch of Mesa, Colo., and her cousin, Mrs. Clyde Pitcock and Mr. Pitcock of Pueblo, Colo.

Mr. and Mrs. Willard Bunch and J.M. (of Sunny Lane) called at the Rodenbeek and Campbell homes, Saturday.

BUNCH FAMILY REUNION

By Geneva King

The Bunch Family Reunion was held July 10th at Murphy Park, Springdale, Ark., with over 200 attending from Arkansas, Oklahoma, Missouri, Texas, New Mexico, Colorado, and Oregon. Arkansas had the largest representation, with Oklahoma second and Missouri third. Traveling the fartherest distance were Mr. & Mrs. C.B. Bunch from Oregon.

A basket dinner was served at noon, after which a business session was held. J.B. Bunch, Rt. 2, Huntsville, Ark., President of the Reunion, welcomed the group and introduced the older members and some who were attending for the first time. This annual event became active as an organization in 1952, at which time J.B. Bunch was elected President, and his reelection has been unanimous each year.

Mr. Bunch called attention to the project now under way to raise funds for erecting a stone at the grave of Sarah Bunch. Several years ago a fund was raised and a stone erected at the grave of Nathaniel Bunch. These two are the pioneer ancestors of the Bunch families of northwest Arkansas, and both are buried in the Liberty Cemetery in Newton County. Carl Bunch of Springdale, Ark., is chairman of this committee.

Another project discussed by the group was the family history and record of the descendants of Nathaniel and Sarah Bunch. This was begun in 1957 with Geneva King, Nowata, Okla., acting as recorder. Many new records are added each year, and the book now contains a record of over 500 families. It is arranged by families and has a complete index of over 2000 names. A numbering system has been devised so that new information may continually be added without rearrangement of the book or change in the index. The book also contains copies of documents, letters, obituaries, bible records, and pictures. Outstanding among these is a photocopy of the Certificate of Discharge received by Nathaniel Bunch at the close of his service in the War of 1812. The original certificate is in the National Archives, Washington, D.C.

Many members of the Reunion have spent a great deal of time in compiling their family records. In addition to J.B. Bunch, are: Carl Bunch, Springdale, Ark.; Allen P. Bunch, Bakersfield, Calif.; Miss Ethel Bunch, Ft. Smith, Ark.; Mrs. Anna Smith, Berryville, Ark.; Eunice (Bunch) Bradbury, Los Angeles, Calif.; Nettie (Bunch) Pitcock, Pueblo, Colo.; Blanche (Whiteley) Pratt, Jerome, Idaho; Mrs. Z.R. Hammer, Dallas, Texas; Zelda (Bunch) Johnson, Cleveland, Okla.; and Mary Elizabeth (Frederick) Harris, Colorado Springs, Colo. Research on the Bunch family in general is also being done, and attemtping to compile records of the Bunch family of Virginia and ancestors of Nathaniel Bunch of Arkansas, are: Richard H. Bunch, Chicago, Ill.; Tilghman H. Bunch, Washington, D.C.; Geneva King, Nowata, Okla.; Blanche Pratt, Jerome, Idaho; and Eunice (Bunch) Bradbury, Los Angeles, Calif.

A vote of thanks was extended by the Reunion to Richard H. Bunch, Chicago, Ill., for his outstanding work in compiling Bunch records and for his generiosity in sharing them with other Bunch descendants; to Geneva King, for time and effort in arranging the Reunion records into book form; and to Blanche Pratt for furnishing the record sheets to be used in the Reunion Book.

A project is now under way to mimeograph two booklets about the Bunch family. One booklet, "The Bunch Family" will contain a record of the old Virginia Bunch families as compiled by Richard H. Bunch in 1938, with additional old and new Bunch records and legends contributed by others throughout the United States who have Bunch ancestors. The other booklet, "Descendants of Nathaniel and Sarah (Ray) Bunch", will contain a copy of all records of their descendants possessed by the Reunion.

Imogene Davis - Grove - 9-10-83
WORKBOOK

Manuscripts for these booklets are being prepared by Geneva King and the stencil-cutting and mimeographing is being done by Nettie Pitcock. Mrs. Pitcock planned these booklets for distribution to her own immediate family, but will make extra copies for those who want them. The price has not yet been determined but will depend upon the cost and will be reasonable. It is hoped that these booklets will be ready for distribution at the 1961 Reunion. Those wanting copies should make a reservation for them with Mrs. Nettie Pitcock, 416 W. Northern, Pueblo, Colo. All Bunch descendants are urged to send in their family record if the Reunion does not have it.

Two sons of Nathaniel Bunch were early settlers in Carroll County, and lived and died there. John Bunch (1812-1892) lived near Rule, and many of his descendants still live in Carroll County today. Representing this branch of the family from Texas this year were: Mr. and Mrs. Z.R. Hammer, of Dallas; Mrs. Nettie Thompson, of Paris; and Mrs. Ollie Connally, Plainview; Also Mrs. Gay Johnson, from Grand Junction, Colo.

Bradley Bunch, (1818-1894) prominent in the political history of Carroll County, lived a few miles north of Berryville, and descendants still live in the area. His old home, still in good condition, is the oldest house in the vicinity that has been used continuously as a residence since its erection in 1848.

Although the Bunch Family Reunion was organized by and for the descendants of Nathaniel Bunch who settled in northwest Arkansas in the early 1840's, all persons of Bunch descent are welcome, and among the distant "cousins" who attended this year were John A. Bunch and family, of Joplin, Mo.; Mr. and Mrs. T.A. Cole, Bradford, Ark.; J.R. Cole, Bald Knob, Ark.; Josephine Rife Heyland, Bentonville, Ark.; Mrs. Nora Basket, Antlers, Okla.; and Mr. and Mrs. Garland King, Nowata, Okla.

A committee was appointed to make plans for the 1961 Reunion. H. Denman Bunch and Gov. Bunch, of Bernice, Okla.; Chess Bunch, Albany, Mo.; and Carl Bunch, Springdale, Ark.; met and announced that the 1961 Reunion would be held again at Murphy Park, Springdale, Ark., on "the first sunday after the 4th of July", which will be July 9th, 1961.

R. Hammer, Dallas; [illegible] (Bunch) [illegible], [illegible], Okla.; and Mary Elizabeth (Pittman) [illegible], [illegible] Springs, Okla. Research on the Bunch family in general is also being done, and [illegible] to complete records of the Bunch family of Virginia and ancestors of Nathaniel Bunch [illegible]; [illegible] Richard H. Bunch, Chicago, Ill.; Tilghman H. Bunch, [illegible]; [illegible], Okla.; Blanche Frank, [illegible], Idaho; and [illegible] (Bunch) [illegible], Los Angeles, Calif.

A vote of thanks was extended by the Reunion to Richard H. Bunch, Chicago, Ill., for his outstanding work in compiling Bunch records and for his generosity in sharing them with other Bunch descendants; to Geneva King, for time and effort in arranging the Reunion records into book form; and to Blanche Frank for furnishing the record sheets to be used in the Reunion Book.

A project is now under way to mimeograph two booklets about the Bunch family. One booklet, "The Bunch Family" will contain a record of the old Virginia Bunch families as compiled by Richard H. Bunch in 1958, with additional old and new Bunch records and legends contributed by others throughout the United States who have Bunch ancestors. The other booklet, "Descendants of Nathaniel and Sarah (Clay) Bunch" will contain a copy of all records of their descendants possessed by the Reunion.

THE BUNCH FAMILY REUNION, 1961.

On July 9th I attended the Reunion of the Bunch family, the descendants of Nathaniel Bunch, 1793-1859, who "bunched" some 200 strong for their tenth annual get-together at Murphy Park, Springdale, Ark. J.B. Bunch, of Huntsville, Ark., president of the Reunion, welcomed each arrival and Carl Bunch, Springdale, had a cold bottle of pop waiting. Most of those attending were from Arkansas, but Oklahoma and Missouri were well represented and others came from Colorado, New Mexico, and California.

At noon, following the Invocation by Mrs. Denman Bunch of Afton, Okla., the traditional basket dinner was served, spread on one long table. I don't think anyone was able to "eat" their way completely around it.

Of special interest at this gathering was the family tree, copies of which were available for the first time, and which contain a record of the descendants of Nathaniel Bunch and his wife Sarah Wade Ray, some ancestry and other miscellaneous records. These mimeographed booklets have been several years in the making and are the combined work of Allen P. Bunch, Carl Bunch, J.B. Bunch, Eunice (Bunch) Bradbury, Blanche (Whiteley) Pratt, Mrs. J. Frank (Anna Allred) Smith, and GenevaKing, all of whom worked together to compile the records, and Nettie Bunch Pitcock who undertook to mimeograph the booklets and distribute them for sale. Mrs. Pitcock could not attend the Reunion, but her mother, Mrs. Frank Bunch, brought a supply of them with her on the bus from Pueblo, Colorado. Copies may still be purchased from Mrs. Nettie Pitcock, 416 West Northern, Pueblo, Colorado, for $5.00, plus postage.

J.B. Bunch presided at the afternoon program, at which he was unanimously elected President for the 10th time. Eve Rea & Neva Marie, twin daughters of Mrs. Eva Katharine Hampton of Independence, Mo. sang two short songs. J.B. related some of the family history and intorudced to the group the "youngsters" present who were over 80 years of age, and also those over 75. Also introduced were those present from each state; those who worked on the family records; and also guests of the Reunion, who were Mr. & Mrs. Herbert Bunch, Mr. and Mrs. S. Burgess Bunch, and Virgil Bunch, all ofEldon, Mo; and Mrs. Cora Niekamp of Jefferson City, Mo. and Mrs. Laura (Bunch) Bonnot and Miss Myrtle Bonnot of Bonnots Mill, Mo. An invitation was extended to attend a Bunch Reunion at Eldon, Mo. on Aug. 12th.

The planning committee, consisting of Gove Bunch and Denman Bunch of Afton, Okla., Chess Bunch, Albany, Mo. and CarlBunch, Springdale, Ark., met and made plans to hold the 1962 Reunion at the Liberty church, near Dinsmore, Newton Co., Ark., on "the 1st Sunday aftes the 4th of July". Liberty is very near the original homesite of the pioneer ancestor, Nathaniel Bunch. He and many of his descendants are buried in the Liberty churchyard and a visit there is more or less in the nature of a pilgrimage

The rest of the day was spent informally, visiting and working on family records. The weather was pleasantly cool, ideal for an out-door event, no ants, no chiggers, no sunburn. But I did develop a slight case of laryngitis,and I doubt if I was the only one. Silence is not a trait of the Bunch family.

FAMILY TREE OF THE BUNCH FAMILY

Compiled by Allen P. Bunch, 1951. Copied Sept. 1960, by Geneva King, from a copy on loan from Eunice Bunch Bradbury.

The Bunch family was first found in Flanders before the uprising between Holland and France, moved to Scotland during the religious uprising and was known to have lived there for 400 years.

The first record of the Bunch family in this country was of a John Bunch in Virginia in 1631 or 1632. In 1663 the record is that John Bunch patented 400 acres of land in KentCounty, Virginia. In 1722 John Bunch (perhaps another man) patented 400 acres of land in Hanover County, Virginia, which had been a part of Kent County, Va. He (or is thought to be the same man) patented 400 acres in 1725, and again another 400 acres in 1728. Then a William Bunch patented 400 acres in 1738, and in 1767 Samuel Bunch patented 400 acres in Logton (Louisa?) County, Va.

In 1732 there is a record of five Bunch brothers in Alexandria, Va. In 1752 there is record of the death of John Bunch in Louisa Co., Va., which was a part of Hanover County. The record is that his property was bequested to his five sons: John, Henry, William, David and James. On account of the records being destroyed during the Civil War, we are unable to trace the family relations. But think it safe to say that David Bunch was a grandson of the John Bunch who came to Virginia in 1631 or 1632; or a least a descendant, having lived community in Kenty, Hanover and Louisa Counties.

(The above is a summary of a manuscript by R. H. Bunch, 6358 Minerva, Chicago, Ill).

Our tree begins with John Bunch, whose parents must have originated from the family of Bunches who settled in Kent County, Virginia in 1632, whose sons became land owners in that country.

John Bunch - lived Louisa Co., Va.
1.
Children - John, William,Henry, David, and James.
2. - David Bunch, born 1722, Virginia, son of John Bunch 9
Children of David - John, Oct. 10, 1747; Joseph, June 6, 1749; Nancy, April 15, 1750; William, November 15, 1752; James, Dec. 30, 1754; Mary, May 20, 1757; David, June 5, 1759; Thomas Feb. 17, 1765; Paul, May 5, 1772; Nathaniel, Aug. 25, 1776.
3-David, son of David Bunch, June 5, 1759 is the father of R. H. Bunch of 6358 Minerva Ave., Chicago.

4. Nathaniel Bunch, ~~son of David Bunch, Item 2, page 1, born Aug. 25,1776,~~ in Virginia married Nov. 25, 1810 to Sarah Wade Ray. Nathaniel Bunch served in the war of 1812 under Andrew Jackson, for which he received a bounty land W.C. Records 5995, and pension.

He was a volunteer in the Overton County Volunteers in the Tennessee Regment. Servied as a private in Capt.Abel Willis' Co. of the Tenn. Militia from October 4, 1813 to March 2, 1814, in an expedition again the Creek Indians. For this service he was allowed 80 acres of land on his application executed Dec. 27, 1850, at which time he resided in Newton County, Arkansas. Then again he was allowed 80 acres of land executed May 5, 1855. Nathaniel Bunch died Feb. 16, 1859. His widow was allowed a pension executed Aug. 19, 1873. She was then 80 years old and lived in Carroll County, Arl. The following children were named in her application for her pension. -

(Note from Geneva - In checking above data with original manuscript by R.H. Bunch, find that nearly all dates above are in error, family names are confused, and line of descent is wrong. For correct information see copy of original records of R.H. Bunch of Chicago)

106 Ada St.
Berryville, Ark.
Feb. 14, 1957.

Dear Eunice: (Bradbury).

My brother Raphu and I appreciated your letter very much. We are interested in your work and hope you can soon yet your book ready for publishing.

I am working some at getting an ancestry line established for my children. Day before yesterday Violet Keck and I went to the neighborhood where the Bunches that is my great-grandfather's family settled in Ark. on land given to him by the government for his services during the War of 1812. Part of that land is still in the family. It is owned by Mrs. Jeanie Fancher, widowed daughter of Tim and Elizabeth Bunch. Tim's father was Larkin Bunch, son of Nathaniel, Sr. Lark was killed in the Battle of Pilot Knob, Mo., during the Civil War and was buried in the same grave with my Uncle, Lieut. John Allred.

Elizabeth Bunch, Tim's eidow lives with her dauther Jeanie in the old home. She is about 98 years old and reasonably healthy alt ough she doesn't get out much.

We visited the cemetery where my parents, my Allred grandparents and the Bunch Great-grandparents are buried. Also a number of other relatives. I never knew if my great-grandfather John Allred ever came to Arkansas but I found one grave not far from my grandfather's grave, which had a hand hewn rock headstone, very old, with the Name John Allred, born June 7, 1776, Died Nov 5 18_9. The third figure was not plain enough to make out but I think it was meant to be a "4". So I think itmust be my great-grandpa's grave.

Yes, Ada Hill is still living in Harrison, though I think she makes trips away sometimes. Her twin sister, Edith Andrews, lives in Little Rock. Also living in Harrison is her brother, Frank Marrs, who, I think, is 79 years old; two sisters, Josie Wilson who is 93 and very pert; and Francis Clark, 90. They are the children of my father's sister, Nancy Allred Marrs. The list Ada Hill gave you of the children of Samuel Allred and Anna Bunch is correct. It was given by my Aunt Nancy while her mind was keen. Also, Ive heard my father call their names many times.

In 1857-58 there was an epidemic of what was later believed to be typhoid fever which took the lives of a large number of the early settlers, among them were my grandfather and six of his children; also my great-grandfather, Nathaniel Bunch, Sr. According to the dates on the tombstones, Samuel T. Allred was born Oct. 6, 1809, died Nov. 14, 1857. AnnaBunch was born March 24, 1814, died June 21, 1893. The Newton Co. historian gave her birth as 1817 which is a mistake.

I've heard my father say many times that his mother had eighteen children, 6 boys and ~~xx~~ 12 girls. He never knew some of the older ones, but he often called their names and told of incidents in their family life that he'd heard from the others. The Francis A. Bunch you spoke of who wasliving with Nathaniel Bunch Sr., in 1850, must have been Francis Allred. She would have been about the age of 16 at that time and I notice she is not named in the Allred family by the census, so she musthave been staying with her grandparents as they were quite elderly by that time.

My dear Mr. Bunch:

I am seeking information about the Bunch family and I wrote to Carl Bunch of Phoenix, Arizona, and received the following reply. Thought it might interest you as he apparently is of your branch of the family, although I could not find the connection in examining data you sent me.

Mr. Richard H. Bunch
Chicago, Ill.

Dear Mr. Bunch:

I received your letter of Feb. 22, regarding the genealogy of the Bunch family. The data you have that my grandfather was Bradley Bunch, and that my father was Elias Conway Bunch is correct. My father came to Arizona about 1876 and I was born at St. John, in Apache Co., Jan. 1884. There are two brothers living here: Alvin L. Bunch and Leroy Bunch, and one sister, Mrs. Edith Strough. I never heard very much about my ancestors but I do know that my father's brother, T.S. Bunch, was here in Arizona and he had three sons, Hugh, Edwin and Thomas. My father was born near Berryville in Carroll County, Arkansas, and my grandfather lived there until his death.

(Signed) Carl Bunch
Rt. 10, Box 637 B
Phoenix, Arizona

I received a letter from your Uncle Will Jack Bunch in which he states that he was born in Newton Co., Feb. 25, 1868; his father, Charles F. Bunch was born in 1844 and died in 1928. His grandfather was born in Overton Co., Tenn., in 1812, moved to Missouri when a young man, and stayed two years before moving to Arkansas and settled back in the Ozark Mts.

In looking over data you sent me I see you neglected to give your father's family, wife's name and name of children. Neither did you include your own family. Would like very much to have same, including dates. I figure you are descended from David (1722-1776) and Mary. I have succeeded in getting descendants of their sons, John, William and Pouncy. Pouncy was my great-grandfather. Believe I have a start on descendants of their son David.

Will J. Bunch said would write a woman in Mars who he thinks has information. In having postal connection with Mars, Arkansas is far ahead of balance of the Country!

Sincerely yours,

(Signed) R. H. Bunch.

Sir:

Enclosed you will find what information I can give you about the Bunch family:

Nathaniel Bunch, Captain of Tennessee Militia, who fought in the Battle of New Orleans under Andrew Jackson. He had a son killed during the war, leaving a widow, Liza Bunch, and two or three sons. The widow then married a Mr. Reeves at Berryville, Ark. There was another son by the name of Bradley. He married Jane Boswell. There were 13 children. I think that all were born at Berryville, Carroll County. They were Dallas, Nathaniel Columbus, who fought in the Civil War. He had a brother - I don't remember the name - who went into the battle with him but disappeared and nothing has been heard from him since.

Nathaniel Columbus had quite a family. The only ones I can remember the names of are Sam, Albert, Emma (who married a Doctor at Berryville) and Charley. Larkin who has been dead a number of years; Caroline, married Hale Champlin before the war; Lucittia married Billy Woods during the war; Donia died some 50 years ago; Laura Alice (Larkin's twin) married a fellow by name of Keck, all at Berryville the last heard from.

S. Thomas Stanford (an attorney) who married Ova Scarbrough at Berryville and came to Arizona, they had 3 sons; Hugh, in the grocery business, Globe; Edwin, an engineer on the Southern Pacific, and Thomas Stanford, a patient in the Veterans' Hospital Tuscon. They were married but had no children.

Elias Conway, son of Bradley, who married Lucy Biglow in St. John, Arizona, have one son, Carl, who married BerthaChapman in Phoenix and has two boys, Joe and Clarence and om daughter, Mary Emmagene. Lucy Biglow died on Sept. 6, 1865 (?). He married Lydia Ellen Weatherford at Berryville and came back to Arizona. They had 7 children, as follows: George Otis, born Feb. 22, 1887, died Jan. 29, 1890; Edith, born July 24, 1890, who married Hubert Strough April 1, 1908, and have four girls; Elias Conway, born July 7, 1893, died Sept. 29, 1918, no heirs; William Rufus, born Jan. 15, 1899, died April 2, 1922, unmarried; Alvin Luther, born Feb. 13, 1903, married Hazel Miller, and have one girl, Beverly Marie, and lives at Prescott, Ariz.; Leroy, born Feb. 15, 1905, married Lorene Douglas in 1924. They have one girl, Barbara Ann, and live in Phoenix.

If there is something more I can tell you I'll be glad to do so. I hope this will be of some help to you.

My dear Mr. Bunch:

Your letter of the 25th ult. received. Was glad to hear from you and get the additional information you gave me. I have written to some of the Cincinnati and Covington Bunches whose name you sent me. Hope they will result in some new information.

Hearing there were some Bunches in Phoenix, Arizona, I obtained names and wrote to some of them. They proved to be relatives of yours so I am enclosing copy of letter I received from Mrs. Edith Bunch Strough. You may find some new information in same.

I have been writing to Bunches wherever I hear of them and never know who they are. I heard of some Bunches in Seattle so looked up names in Telephone Directory and wrote to several of them. I received a most agreeable surprise and one of the parties to whom I wrote turned out to be a great grandson of my uncle, Dr. Hillary P. Bunch. Last I knew of him was that he was practicing medicine in Genoa, Ohio, in 1861, and I had given up all hope of getting any trace of his descendants. The grandson had a copy of Hillary's family, but knew nothing about movements of same except that three sons were living in Keokuk, Iowa, after the Civil War.

If I can get track of my Uncle William's descendants I will have record of all of my grandfather's children. Uncle William went out to Davis County in Iowa about year 1870 and from there to Arkansas where my father lost all trace of him.

Sincerely yours,

(Signed) R. H. Bunch

Mr. Nathaniel C. Bunch
Coffeyville, Kansas

My dear Mr. Bunch:

I believe I have properly co-ordinated the data and information sent me by Edith Bunch Strough, Ada Hill, Will J. Bunch and yourself, and as I am making up copies of all data I have of the various branches of the family I am making extra copies of that of your family, which I am sending to you and the 3 above mentioned. Would send you copies of all the data I have but do not feel that I should stand the expense. It would take 50 or more pages of stationery and it would cost somewhere around a dollar simply for stationery and postage for mailing copies. To members who requested copies I offered to send them for a minimum of $1.00. Some have sent $1.50 and $2.00. Do not think I am soliciting any orders. It takes hours of work to make up copies, and I only am doing so as an accomodation.

I have been unable to place your family in relationship to that of David and Mary, ancestors of the other families. Until Ada Hill gave me the information that Nathaniel's parents were CHARLES and MARY BUNCH I concluded that he was the son of David and Mary. On account of the general use of so many of the same name, especially combination names and the unusual nmes of Winney and Lucresea I feel certain that the families are related. Not finding the name CHARLES in either the family of David or his father, John Bunch, I figure that our common ancestors was of an earlier generation, possibly that of David's grandfather. The names are entirely different from those used fax by the Carolina Bunches.

I regret that none of you seem to know anything back of Nathaniel's parents. Where they came from when they moved to Tennessee. As Nathaniel served in the War of 1812, I have written to the Veteran's Administration to see if they have any information. If he applied for a pension I will have copy of the record. Have been able to get valuable information from them about a Pouncey Bunch who I could not place. He proved to be my grandfather's brother.

I want to thank you for the information you have given me. You will find quite a lot of information in data I sent you, in addition to what you sent me.

Cordially yours,

(Signed) E. H. Bunch.

My dear Mr. Bunch:

I am enclosing copy of a letter I received from Allen P. Bunch of Bakersfield, Calif. Thought it might interest you as he is of your branch of the family. As you will see, he is a son of Lee Bunch and Tennessee Newberry. In data you sent me you said Lee Bunch family had been lost track of.

The way I heard of him was that a Mrs. Smith of Pasadena, whose maiden name was Bunch, sent me a newspaper clipping telling of death of Lt. Paul Bunch, giving his father's name.

I am disappointed at my inability to trace your family back of Nathaniel (1793) who lived in Overton County, Tenn. In your last letter you said you was going to dine with a Mr. Bunch and might get some data from him. Did you have any success? This Allen Bunch and a Dr. David Bunch of Davis County, Iowa, are the only new names I have contacted during past year.

Mr. Richard H. Bunch

Chicago, Ill.

Dear Mr. Bunch:

It must be that we are at least a bit akin. As I have always been interested in my family relations, and I am indeed proud to have contact with some one of the name that is interested. You, however, have shown a greater interest along that line that I, as you have a much longer history than I can produce.

Lt. Paul and my younger son, Truett, were on a trip through the east last fall and as they passed through a town they happened to see a sign with the name "Bunch", and they stopped and made themselves known, and the Mr. Bunch told them of you and they took your name and address with the intention of writing you, but had neglected to do so. But when your letter came, Truett at once called to mind that he had been told of you. I am indeed glad to make your acquaintance whether or not we can trace any relationship.

I have not written history of our family, and all I can tell you will just be from memory and as I recall what my father told me. As I recall - my great-grandfather and one of his brothers (John and Calvin, and I do not know which was my great-grandfather) came to northwest Arkansas about 1845 from Tennessse, first located in Boon Co., then moved to Newton Co., on the head-waters of Osage Creek. It appears to me that my grandparent was killed or died just at the outbreak of the Civil War.

My grandfather was named John, and he had brothers Nathaniel (Nat) and Bradley. Nat was a farmer - school teacher and Justice of the Peace. He had sons Sanders, Henry, Pearce, Jim, Lewis and Nat. All lived in Newton and Carroll Counties; his wife was a Newberry. Bradley Bunch lived in Berryville, Carroll Co., and had sons - Tom, a lawyer who at last report lived at Flagstaff, Ariz; Columbus, who lived and died at Berryville, also Larkin lived and died there. Both were teachers. Bradley was a well-to-do farmer and for several years represented the County in the State Legislature, and was County Judge for several years and until his death.

My grandfather had sons - John, Jim, by a first marriage; then William (Buck), Lee P., Tom and Jack. They are all dead now. Buck came to California about 1868-72, only remained here a few years and returned to Arkansas. Too, there was a Bradley who was killed in the Battle of Bull Run, and Charley who did service in the Southern Army, and lived a farmer in Carroll County and died there. Tom died a few years ago in Amarillo, Texas. Jack died while a young man.

Too, there was another Calvin Bunch, and I do not recall as to what family he belonged He had two sons, and probably more, but John for years was in charge of the U.S. Land Office at Harrison, Boon Co. I believe he was appointed to that position by President Cleveland during his first administration. Was still there the last I heard. Joel was a banker, and became very wealthy at Kingston, Madison County, Ark. Still there at my last information.

WorkBook

My father, Lee Bunch, was born in Boon County in 1851, married Tennessee Newberry in Newton Co., moved to Carroll Co., was a farmer and owned a Grist Mill run by water power of the Osage Creek. My mother was drowned in that creek by a horse falling with her in the water on April 14, 1881, or 82. They were parents of six children, 3 boys and 3 girls. John lives at Hartman, Johnson Co., Ark.; Frank and I live here. Too, by a second marriage, there are two sons, Onnie and Lark. Onnie lives at Ault, Colorado. Lark at Butte, Mont.

I had four sons - Douglas J. of Los Angeles; Ellis D. of Bakersfield; Lt. Paul W., deceased; and Truett, 18, a Senior in Junior College, Bakersfield.

Henry (I liked to have forgotten him) son of Nat. was a school teacher for a period at Clarkesville, Johnson Co., and was County Clerk, as my information says, of Carroll Co., and, if still living, is there now. I believe for further information and for corrections of what I have given I would suggest that you write Henry Bunch, Berryville, and John Bunch, at Harrison, or Joel Bunch at Kingston. These are the oldest of my people that has lived in touch of the family, and if they are still living will be able to assist you.

Lt. Paul Windell Bunch was born January 25, 1916, Abilene, Texas, died in an airplane crash March 8, 1941, at Shafter, Calif. He was a graduate of the State College at San Jose, and had done post graduate work at Berkley, graduated at Randolph and Kelley Fields at San Antonio, Tex., appointed to the transport service, U.S. Army at Sacramento, Calif. We have letters from the Army Officers telling of how they appreciated him as a comrade, and his unusual ability. But above that was his truly Christian life. He had spent all his spare time doing YMCA work, of which he was very fond. He loved the boys. He was used to leading many of his boys to accept Christ as a personal Savior, which gave him his greatest joy. At each of these places in school he became a Sunday School teacher, and we have letters from so many boys and others, saying he was their example, and inspiration. One man making a public speech referred to his going as the passing of Kern County's foremost and model young man.

Next Sunday there is to be a dedication of some kind of memorial in memory of him in a church in North Sacramento. A class of some 40 boys call their class "The Paul Bunch Memorial Class". Some similar words came from San Antonio. You see the great loss is not all ours for he will be missed by a host of boys who have taken him for an example, of what they mean to be.

He not only was an obedient boy, and wrought so nobly while here, but he provided so graciously for us in insurance. He was surely a most noble son of whom we, or any parent, should be proud. I do not know any great man who rose to honor of the Bunch family, but to a man we have always been an asset to the community, and not a liability. I do not recall now of but one of the Bunch family ever being in jail, and none every being convicted of a crime. I therefore am proud of the name.

Yours,

(Signed) Allen P. Bunch

Mr. Nat Bunch

Coffeyville, Kansas

Dear Cousin Nat:

Yes, I am the fellow you remember. I am the son of Lee Bunch, and stayed at the home of Uncle Charley and went to school at Blackjack with you when you were about 8 years old. It was in 1895 or 6. You and Hugh and your mother were there that summer. Henry Davis was the teacher. You could not talk very plain then or at least there were several words you could not say. We had lots of fun having you to spell "Kitty's". You would say "Kosterphe", and you knew you were not saying it right and would try to say it quick so we would not notice the way you spoke it, and that made it funnier than ever. I will never forget those happy days.

I afterwards taught school at Antioch, there close to where John lives. I left there for Wyoming and stayed out there for some hearly 6 years, From there I went to Texas, and married Nettie Douglass, whose father lived at one time (and her mother died) at the old house that was used as a hay barn just above the big spring you spoke of. I first met her while I was in school there at Clark's Academy. I graduated from there with Tom, John and Belle. So you see I am well familiar with all the surroundings.

I will say too that you had another Aunt that you did not mention, that was Louize, just older than your Father. She married a Mr. Sparkes. They had at least 2 children. Bee, she was in school with us there at the Academy, and a son, and I have forgotten his name. Yes, I was back in Berryville in 1926, and saw Will Jack and Sally. I knew their wives when I lived there, went to school with Ida Gaddy, John's wife.

I did not pitch ball for the Berryville team, but played a game or two with the Blackjack School. I never was much on a ball team. I liked debating, speaking, drilling better than ball.

Glad to know about your family. As sure you are proud to have such nice girls. My family are all boys. I had four. Douglass, the oldest, is married and lives in Los Angeles. Has a job with a whole-sale company with a good salary. Ellis ismarried and worked for several years with the Express Co. here and in Los Angeles, but lives now about five miles from here on an Orange orchard and sells oranges for his father-in-law. He has a good job. He has one baby girl. Paul was killed in an airplane wreck March 8 last. He was a graduate of the State College at San Jose, and of Randolph and Kelly Flying Fields, and was a Lieutenant in the United States Air Corps. He was a real son, a good student, and true Christian. His church work was so outstanding that the Church in Sacramento where he attended held a memorial service in his honor to which we were invited, and a Church in Oakland has invited us up there to attend a like service for him. He was for several years a YMCA worker. We have letters from Dayton, Detroit, San Antonio, and many others out of the state expressing their sympathy for our great loss in

WoRKBooK

his misfortune. The funeral was one of the largest that was ever held in Bakersfield. His former pastor at San Jose and the YMCA Secretary spoke. I am sure you never saw such a lot of the most beautiful flowers as was presented by folks both near and afar. It was our first contribution to this awful war. And, oh, such a heavy cost to us.

Truett, our only boy at home, is graduating from Junior College this year. now in a few days: is 18 and a very fine boy. Has secured a scholarship at Occidental in Los Angeles, but has been urged to try for a scholarship at Cornell and is to make a visit there soon and will know soon. He also has been working for some time as a YMCA worker, and will go to Honolulu as soon as he gets back from New York. He will be there for the summer.

Yes, I have had 2 very nice letters from R. H. Bunch, and I appreciate them very much. He has corrected me on our family record. He also spoke of having received a letter from you, but I did not connect what he said with you. There are several Bunches scattered over this country. One Mr. Bunch is manufacturing airplanes in Los Angeles; one makes experimental gliders, and I hear of others. There was one here and was hurt, and in a hospital and I went to see him but by some means I failed to find him.

I believe Mr. Bunch has Uncle Charley's wife wrong as I remember your grandmother Bunch was Hammie McColough, a sister to Preacher Dave McColough. As I remember my grandfather's brothers and sisters were: John (my grandfather, born 1812, married Louisa Qualles. I had thought her name was Smith.) Annie married Dave Alread, had 2 children as far as I know - Ruben and Effie. Effie married a Mr. Kerby. Their children's names all begin with the letter "F". Fletcher, Foster, Flem, and Flaggon, and the girl's name was Effie. I did not know of a Charles Bunch, a brother of my grandfather. Calvin Bunch lived in Madison Co., near Marble. He had 2 sons; one was John, who was appointed by President Cleveland as U.S. Land Commissioner at Harrison. Bradley Bunch was the State Senator and lived there by your grandfather. His sons were Conway, Tom, of Phoenix, Arizona; Columbus, who lived and died there at Berryville; and Larkin, who died there at the old home place while we were at school there. There were 2 girls - one married Billie Woods and lived just south of Berryville, about 1½ miles. I stayed there and went to school after moving from Uncle Charlie's. And Cubby, married George Keck, and lived on the old home place the last I have heard. I never remember of hearing of one named Obedience. Nathaniel married Orlena Newberry, who was a sister to my mother's father, Montgomery Newberry. They lived on the head of Dry Fork, and had the Post Office of Dinsmore at their house at one time. I have been there a time or two. They had a large family of boys: Sanders, Jasper, Jim, Lewis, Henry, Andy, John, and Nat. One girl, Sarah. They all lived in Carroll and Newton Counties. Some 5 or 6 of them were school teachers. I did not know just how we were akin to the Whiteleys, but this Mr. Bunch tells me that a Nancy Bunch married a Whiteley, which I suppose is true for I know we were kin in some way, but I thought it was on my mother's side. I believe I have known something of a Larkin of the older set but I cannot recall anything definite.

As to my grandfather's sons, my uncles, there were by a former marriage two sons, John, then William (Buck), Charley. Lee (my father), Jack, and Tom. Too, there was Bradley, who was killed in the Civil War. Uncle Buck's family all came to California about the time I was born. John never went back and was living at Fresno the last I knew of him. He has visited us several times and we have been at his home several times when he lived in Dinuba, but since

WORKBOOK

going to Fresno I had not heard from him. Stilley married in Arkansas but came back to California and died at Paso Robles, Calif. I have not met any of his children. They were all girls; nurses and business girls. He married a Ramsey. Tom and Jake both died here in California. Cynthia married Till Hopkins at Rule, Arkansas. You seem to have your grandfather's family all straight. Your Aunt Louiza Sparks must have lived either on Buffalo or down in the section near where Tom now lives.

My brothers and sisters are John, living at Hartman, Ark; Frank is here with me; Josie and Louiza live at Paris, Texas. Josie married Andrew Pryor, Louiza married John Whitlock; Mantie married Jim Hambay and lives at Rudd, Ark. They all are widows. Their husbands are dead. John married Chloe Phillips, a cousin. Uncle Tom married Mat Chase, and had 3 boys and lived at Amarilla, Texas. One, Albert, was an engineer on the Fort Worth & Denver RR. Elbert lives in Rudd, Ark. I do not know about the others. Uncle Jack died when just a young man.

My Aunts were Mary McCoulough, Aunt Elizabeth Phillips, wife of Miles Phillips. Aunt Nanny married my mother's brother, Alex Newberry; Aunt Kitura married John Wilson, lived and died at Rule. Aunt Caroline married George Jackson, who after her death married Mrs. Gaddy, your Uncle John's wife's mother. He still lives at Rule as far as I know. Uncle Bradley, who was killed in the Civil War, had a boy and a girl, John Wesley and Mary Ann Burcham. I do not know about the half-uncles. I only remember seeing one of them once. Aunt Margaret married Mr. McKellip and after his death married Mr. Mottley. She was still living at Joplin, Mo., 2525 Quincy Street.

I believe that this is all I can tell you for I know nothing back before my grandfather. I am so glad to get these lines from you and hope to hear from you again. I feel that I am getting old. I was born October 27, 1877, at Rule, Ark., so you see I am not a ball player anymore, anyway. I have been working for the Southern Pacific Railroad for 23 years and will be ready to retire in another year and a half. I am a Deacon in the Baptist church, and teach a class in Sunday School. I want to be of service to My Lord until he calls me home. If you have not made that preparation please do so now. I carry insurance with your company, their office in Los Angeles, Calif. We have four policies.

P.S. I also have two half-brothers: O.A. Bunch, of Ault, Colo., and Larkin Bunch of Butte, Mont.

THE BUNCH FAMILY OF VIRGINIA

In 1640 there were only 15,000, and in 1660 only 40,000 white settlers in the Colony of Virginia, which at that time was comprised of what is now known at the State of Virginia, and all territory west of the central part of Pennsylvania to the Mississippi.

New Kent County was founded from York County in 1662 Hanover from New Kent in 1700 and Louisa from Hanover in 1742.

51/52 ~~1661/2~~ John Bunch came to Virginia. (Lancaster Co?)
Mar 18 1662 ~~1653~~ John Bunch patented 400 acres of land in New Kent County
1722 John Bunch Jr. patented 400 acres of land in Hanover County (Louisa)
1724 John Bunch patented 400 acres of land in Hanover County
1725 ~~1735~~ Paul Bunch patented 400 acres of land in Hanover County

1665 Wm Bunch Was in "Westmoreland Co"
One of the parcels patented in Hanover County by John Bunch was in that part of the county later changed to Louisa.

1732 Five Bunch brothers landed at Alexandria, Virginia.

1742 John Bunch died in Louisa County, bequeathing his property to five sons; John, William, Henry, David, James. On account of the destruction of Public Records during the Civil War, I have been unable to trace relationship but think it safe to assume that he was the grandson of the John who came to Virginia in 16~~61-62~~. 51-52

1722 ~~1772~~ David, son of John Bunch, was born in Louisa County. In his Bible is recorded the names of the following children.

John	10-21-1747	Lueresa ~~Larinia~~	1-17-1761
Joseph	6-15-1749	Anthony	11-14-1762

William	11-30-1752	Nathaniel	7-25-1767
Jean ~~James~~	12-9-1754	Winnie	12-29-1769
Mary	5-30-1757	Paul	5-28-1772
David	5-20-1759		

I have family linage of David's son Pouncey (My Great Grandfather) Also, of a John Bunch and Nathaniel Bunch who I believe to be sons of David.

No

I also have linage of one of the descendents of One ~~four~~ of the five brothers who came to Virginia in 1732, covering the five generations.

The family was first found in Flanders moved to Scotland ~~Holland~~ during religious uprising & Wars, and were known to have lived there for 400 years.

"Newberry Long Cabin is a New Addition to the Carroll County Heritage Center".

...Montgomery Newberry log cabin of Hopewell in Newton Co...birthplace of Tennessee Newberry-Bunch (gr-gr-grandmother of Ssirley Pyron, wife of Jewel Ray Pyron of Berryville....Coy Logan...Vondeen Newberry... Mrs. Hazel Bunch of Dry Fork .on Hamstring Creek near Dinsmore.... Montgomery Newberry..it was his home. He was married 3 times. He was the father of 13 children. His 2nd wife brought 3 children to the loghouse home with her. Montgomery also had a black man whom he brought with him from Shelby Co., Tenn. (black man named Jess)

Montgomery's daughter, Malinda Newberry-Logan. Coy Logan is a great-grandson of Mr. Newberry.

Hopewell community was 1st in Carroll Co. When Newton Co was formed Dec 14, 1842, this area was in new county.

Following concerning the early Newberries was taken from the 1850 census from the History of Newton Co by Walter Lackey.

Osage Twp. Elijah Newbury, a farmer born in NC 1803 and Pricilla his wife b in Tenn 1808 came to Osage Twp some time before 1850. Their family as recorded in 1850 was: Sarah E., 26; Mahala P., 20; Roda 15; Leah 10; Andrew M., 4; Cassa P. and John F. (twins), age 3; all born in Tenn.

James Newbury, a farmer and Mary, his wife b Tenn 1817 and 1827, came to Osage Twp 1846, parents of 3 children in 1850: Clark, 4; Emily (probably Armilda) G., 3; and Alexander 1, all born on Osage Creek.

Stephen Newbury, a farmer and Easter his wife b Ga 1802 and 1818; lived in Tenn before coming to Osage Twp 1842. Family in 1850: Sophia, 12; Sarah 10; born in Tenn; Nancy G., 8; William J., 6; Isaac N., 4; George W., 3; and Malinda, , all b. in Ark.

George Newbury a farmer and Nancy his wife, b Tenn 1828 and 1833. no children in 1850

Land purchases listed in Walter Lackey's book are:

Nfr, NW$\frac{1}{4}$, Sec 2, 42. 40 acres $53.00 by Stephen Newberry, 2-4-1853 Cert. No. 6093

SE/4 NE/4, NE/4 SE/4, Sec 4, 79.98 acres by James M. Newberry, 12-31-1860, Cert No 12961 .

George W. Newbury, a mechanic and his wife Nancy J. age 31 and 26, b Tenn, came to Jasper in 1852, where son Jackson was born. They moved away from Jasper then back to Jasper in 1858 where their daughter Elizabeth was born.

In 1860 George Newbury was town mechanic at Jasper.

The foregoing information leads us to believe Montgomery, Valentine and their father, Stephen were not here in 1850.

According to some of the relatives it is believed the family of Newberry came from Finland to America......

Montgomery Newberry's 2nd mar was to Rachel Clark Johnson who had 3 children. They were Mary, Tinsell and John Johnson.

Mrs. Eula Cook, dau of Albert Newberry .....Albert Newberry was the son of Stephen and grandson of Montgomery. Stephen's widow Caroline lMenton Newberry was the last person to live in the log house.

Mary Newberry died in childbirth. It is prob true that S.F. Frances and the infant child are buried by the side of Mary Newberry in the Liberty cem.

Montgomery and 2nd wife Rachel are buried at Hopewell. Julia

Wilson, 3rd wife of Montgomery, was buried in a cememery 2 miles west of Osage. Roe Allred said he had heard Julia married Montgomery for his gold. They did not live together but for a short time.

James McConnel Logan (12/5/1854-3/2/1928) m. Malinda Newberry 12/9/1875. They est. 1st home at the head of osage creek, where they lived from 1875 to 1887. Moved to Moore, 6 miles south of Berryville, and then to Dryfork in 1905......

Mary Ann Newberry Arnett was buried at Wagoner, OK. Her husband, Jim Arnett killed by runaway team while working in the timber south of Eureka Springs. He was buried in the Williams cem......

Hugh Bunch of Rt. 3, Berryville, believes the Newberry families came to Ark in 1838 when the Bunch families came here from Overton Co Tenn. It is believed 3 families came: Montgomery Newberry, Volentine Newberry (a Baptist min of the Gospel of Jesus Christ) and Stephen Newberry, the father of the 2 listed. Volentine lived on the farm above the Montgomery place....Volentine performed marriage ceremony for Jim and Malinda Logan.....

Burk Newberry, grandson of Alec Newberry said Alec and a brother were trying to break a yoke of steers to work when the saw some bushwhackers up the creek. Alec told his brother to take the steers up the hollow and hide them. During this time the bushwhackers had given Alec a beating trying to make him tell where the steers were. George Newberry came by later and told them, "Some of those men won't be back anymore."..........

Tennessee Newberry was married 11/18/1869 to Lee Bunch and they were the parents of 6 ch. Tennessee drowned in Osage Creek at Clearwater. She was riding horseback to a neighbor's home to exchange some garden seed and while crossing the stream, she was drowned. Her body was found in water that was not very deep. It was not known what caused the accident. She drowned 4/14/1883 at the age of 32. Of her 6 ch she left behind, Samantha Margaret (Mantie) was her youngest being only 2 yrs oldl/...z,.Mantie..married Jim Hamby and they lived on the mountain between Rudd and Rule.

Lee Bunch operated the water mill at Clearwater. At one time, his brother "Buck" also operated the mill.

Burk Newberry said Montgomery Newberry owned all the good land for some distance above and below Hopewell. A grave marker in the Hopewell cem has this inscription: S.C. Newberry, b 11/5/1802, died 9/2/1870. Evidently this is Stephen, the father of Montgomery & Volentine. He was born in Georgia. Montgomery had a son Stephen b 6/16/1863. He died in Little Rock. Onnie and Albert were his sons........

Dear Mrs. King,

I am a great-grand-daughter of Mary Ann Bunch. Nancy Ellen Birchum Hicks is my grandmother.

I am trying to put together family histories and Shirley Jaffray told me you were one of the ones who put together the "Bunch" history. She said if I would like a copy of the "Bunch" history to write you.

I would very much like to have a copy of it to John Franklin #1241 Birchum and Mary Ann Bunch. If you would let me know what I need to do to get one.

And any ideas or suggestions

you could give me on how to search for ancestors, I would greatly appreciate.

Hoping to hear from you soon.

Sincerely,
Bobbie Fischgrabe

"Hazel fell out of a barn door and hurt her back when about 12/13 and was a cripple rest of her life. She helped out in their home by taking care of switch-board in the home. She was a devout Christian girl and attended most of a revival meeting 2 wks before her death. Was called on by the minister to dismiss the last service in prayer - which I shall never forget".

Dear Mrs. King:

Some time ago I saw the book on the family tree of the Bunch family. Your name and address was listed in the book and I thought perhaps you may have some of the books on hand or could tell me where I could purchase one.

We are related to the Bunches so one of the books would help much in learning more about the family. Do you know the price?

I am enclosing an addressed and stamped envelope for your convenience in answering my letter. Hoping you can help me as the more one searches for information, the more interesting it is.

Thank you,

Sincerely
Georgia Boatright.

Dear Mrs King:

I am one of those Bunch's away down the line. Mr J.B. Bunch had ask my Brother Joe Bunch to have the children of Tom Bunch to write our family history and get it in so could be read at the Reunion in 64. Enclosed what Ive written. Since Ive never been able to attend one of the Reunions, dont know what they have in regards to my father and his family. Now this is the Tom. or T. M. Bunch of Berryville, Ark. If health will permit, hoping to attend in 64.

Dear Folks:

Christmas Greetings 1959 !! We wish each of you the best for this new year !!

Jan.- I was still living in Calif. Clyde had come from Colo. and Maxine from Carmichael to spend Christmas with me. Clyde left for home Jan. 5th. I was busy at my job as **secretary** of the First Baptist Church of Sunnyvale.

Feb.- My mail box usually had a letter every day from that red head in Colo. One of these contained a proposal, so now I had many decisions to make. Answer is yes!!

March.- Many things to do - resigned my job at the church to take effect April 1. Put up my home for sale. What a job to keep it ready for inspection at all times.

April.- Job ended. Funny to not have a regular job after 7 years. Lots of work to do at home gettings things packed & showing my home. Sold my home.

May.- Farewell parties. How hard it is to leave folks you have known and loved so much. Clyde came to help pack. We visited, Maxine's, Lavern's, Harlen's, & Madge's. Clyde took a trailer load of things back. Farewell to Sunnyvale!! Sniff !! Sniff!! Drove up to Maxine's, and she came with me to Colo. We visited Mother, Ivan's, and Violet's. Then Maxine, Anita, Steven, & Garry came with me on to Pueblo.

June.--Very busy straightening out furniture, getting marriage license, arranging about cake, punch, flowers, etc. June 7 - 2:00 P.M. at Grace Baptist Church in Colo. Springs, Clyde Pitcock, and Nettie Kruger were married. Clyde's son James, Performed the ceremony, and his daughter, Marie sang. My daughter, Maxine was matron of honor, Anita Flower girl, and Steven ring bearer. There were many friends & relatives to share this happy day with us, and 42 relatives gathered at Gwen's for a buffet dinner after the reception. We had a good time taking pictures and visiting. Mon. we returned to Pueblo. Visited with Ivan's, Mother, and Maxine. Had a picnic in the park. Ivan's & Ova left for home, and then we began packing. We left Pueblo June 9th, taking Mother with us as far as Berryville Ark. We went on to Mobile Ala. Where we spent 2 weeks with Joe & Lois (Clyde's son & wife). Went sight seeing. Went deep sea fishing, which was lots of fun, and caught lots of fish.

We went on to the following places where we visited Clyde's relatives: Tompkinsville Ky. Then to Onyx cave (sightseeing) Danville, Ogelsby, & Peru Ill.

July.- On to Lebanon Mo. We saw many interesting places as well as fun & fellowship at each home we visited. I enjoyed meeting so many I had never seen before.

Then to Berryville Ark, where we attended my father's family reunion. Saw a lot of relatives I had never met before. About 135 at the reunion. Learned a lot of family history. They have a big book of our family tree. Mother had been visiting here, and came on to Espanola New Mexico, with us to visit Ova's. Visited Jack's job. July 9th we came home, after driving 5000 miles. It was all very interesting, & fun. Mother went on home by bus next day. Clyde busy in our Paint & Paper store. I am busy straightening out our apt. I had kidney infection & had to go to the Dr.

August.- We fished at Lake Isabel. Took a trip over to the San Louis Valley. Caught a few fish. I learned some of the store routine. I keep the store when Clyde needs to be out. We went to Limon to help Leonard celebrate his birthday.

Sept. - Marie and Arnold decide to leave Pueblo, and move to Ala. They spend 2 nights with us, before they leave. Sorry to see them go.

Oct. - We go over to Ivan's for the deer hunt. Harlen & Doris come from Calif too. Got to see Violet's, Mother, and several relatives. Got 2 deer. Got apples too.

Nov. - Both of us are very busy in Church work. I teach an adult class, we have had an average attendance of 35 this fall. They gave me a lovely lighted picture of"The Last Supper" for Christmas. I enjoy my class so much. Clyde helps me many ways.

Dec. - Busy with Christmas plans. We feel very fortunate to have found each other, to share life with. I feel it is a very easy to acquire 3 fine, big sons, and another daughter. So we have 3 sons, 2 daughters, and 12 grandchildren.

My Prayer is that your Christmas day
May shine with the same glow
That shown from the Star of Bethlehem
Two thousand years ago !!

Dear Loved Ones:

We are coming to you by way of this letter to wish you a very "MERRY CHRISTMAS" and a "HAPPY NEW YEAR". We wish we could really come in for a visit, but since we cannot this will have to be next best. Let's chat a bit about what we did each month.

Jan: Mother had come to spend Christmas with us, and stayed most of Jan. She was chief cook, and I was seamstress for her. We did some visiting away from home, but the snow was deep about that time, and so we stayed in, and sewed.

Feb: We still had lots of snow, so it was a joy to stay in. I typed and mimeographed many pages of our "Family Tree". Clyde and I are both busy in Church work. There is always church work if a person will do it. I am still having some kidney trouble- carry-over from last year.

March: I was busy on spring house-cleaning. It is amazing the dirt that collects all winter. Clyde is busy running the store. I give him an assist most every day.

April: Leonard spent a few days with us, and Helen came over for her birthday- we had a birthday dinner for her. I was hostess to my Sunday School Class. I am getting to know each one better. We had a birthday dinner for Fern Pitcock.

May: Spring has come, & warmer days are ahead. We have been looking forward all year to Joe & Lois coming, and they arrive May 22. We have a good time visiting. We have a good fishing trip over to Taylor Reservoir, Jimmy going with us, all got fish. We have a birthday dinner for Lois We have a fishing trip to Lake Isabel.

June:Joe & Lois leave for home. I go to the Women's house party in Denver. We are making plans for our trip, and getting ready to go.

July: We leave Pueblo, July 7. go to Espanola New Mexico, and spend the night with Ove & Jack, Leaving Fri. P.M. for Lancaster. We visit Harlen & Doris, Madge & Jack. [illegible] & Earl, & family come for Sunday.On to San Bruno, where we visit LaVern, Isabel & Butch. We have dinner with Gladys & Alta. On to Carmichael, to visit Maxine, Bill, Anita Steven, & Garry. We swim, visit, and have picnics with Lafe & Laura. Last minute Maxine & children decide to come home with us. We visit Mother, Ivan & Violet. We had two busy days visiting friends at Sunnyvale, all too short.

Aug: My brother Vergil passed away, at Ogallala Nebr. so we all go there for his service. Most of the family come for the service. We take Maxine back to Mesa, to meet Bill, & go home. The men fish. Donnie spends a night with us, on way to school.

Sept. We are busy canning & freezing food. Clyde is a good peeler & fixer.
Oct: We went over to Mesa, to visit mother, Ivan & Violet, & families. Faustine & Dick come from Calif. The men all went deer hunting, & got their deer. Mother & I Picked apples, & cooked a barbecue, which all enjoyed the last night we were there. Mother came home with us, & sure enough we got busy sewing again. Clyde & Mother sprang a birthday surprise dinner on me. Ruby came for mother & took her home.

Nov: Christmas shopping & plans. I have a surprise birthday dinner for Clyde. He comes upstairs & finds there is to be a dinner, but does not know who till they all arrive. We are both busy in church work. I love my class, & Clyde helps all he can.

Dec: Clyde's son James in the hospital very ill with a brain tumor. We visit him. My Class dinner at our pastor's Rev. Walker. The Class give me a lovely set of double candle holders, with bowl, by Fostoria. Our first big snow Dec. 5.

God Love You!!! Nettie & Clyde Pitcock

There!

Dec 1960

I have not heard from you for a long time. Of course I have no room to
plain, as I am very slow about writing too.

How are you anyway? Fine I hope. As you can see from the letter on the front
we have been busy. And of course that is only a small part of the things we
The car heater has been on the blink, and I have had to stay 3 part days to
Clyde take it to have it fixed. First to a fellow who was supposed to fix it,
then I drove it to the Springs, and nearly froze my fanny. Then on Sat he
k it back to him, he said the heater worked, it was the fan that would no work,
he did not know how to fix it. So then yesterday he spent 2 hours getting that
ed(we hope). I am getting tired of this having no heat.

Clyde's son James has been very sick. They took him to the hospital Nov. 27.
2 weeks they made all kinds of tests, and finally decided it was a tumor, but
n they got in there Friday they found it was scar tissue that was keeping the
id from returning to the spine after going up to the head. He had the operation
day. I took James wife's mother up, and we spent the day with Fern. It was very
d day of course. We were all so worried about him. They had given an air test
week before which was so painful. He had so much nasua from it. But he came
ough surgery real well. He was still on inter-veinous feeding when we were there
. but was to have food on Mon. He is improving, but it will be slow of course.
we have had many trips to the Springs (40 miles) to see James, and to help where
can.

I got the last package off this morning, and now I am trying to finish up our
ds. I typed and mimeographed mothers cards, too, as she has trouble with her
ds. I had to get them off before ours, as she needed time to address them, and
y had to have time to get to her. With James ill I ahve been held up a bit.
tarted in Nov. and it is good I did, or I would never have made it.

Our weather is nice, now. We have had 2 good snows. But it has not been as
as last year.

Other than James our families are fine. I was so glad to have mother here
3 weeks. I sewed for her, as usual. I seem to be her seamstress. But I am
d I can. She is 76 now, and I may not have her too long.

I have not done anything on the family tree for ages. But I hope after the
st of the year, to get busy on it again. The summer activities came on, and I
so busy I did not have any time to even think about it.

I hope your health is real good now.

MERRY CHRISTMAS & HAPPY NEW YEAR

Dear Geneva:

Thank you for your lovely card, and note. I am so sorry that you are having trouble again with your heart. I too hope it clears up ; by spring. I know it is no fun to have to take it easy. I still have a lot of trouble with my back. I need some extra rest every day.

I have not done much with the family tree either. I have several run off, that I need to put together. I like to keep them ahead, so I can send thmm the same day I get an order. Have not had many orders. But a few. I will need to get these put together before the reunion next year. I can probably work on it in Jan. if the weather is bad, and we are in more.

I spent 2 weeks in Calif with my daughter- Maxine. From Nov. 26- Dec. 10. I had a grand time. We went over to Sunnyvale where I use to live, she lived there 3 yrs too! On the way home we got a broken axle. We had trouble getting home, but finally made it. Her husband kept the children, so we were free to do more visiting, and get around better.

Dear Geneva:

I have had your card addressed & lying on my desk for about 2 weeks, and have just not been able to get to it to write some extra. I too feell that I have not heard for so long till I had your letter yesterday. I had planned to write yesterday, but again did not make it.

I feel this general letter does fill a person in a lot on us, but I know it is nice to have another letter besides. We have run out of Christmas letters now, and I will go to the church today & run off sme more, they will have to be on plain paper. I do not know how we came up short, but did. I think I ran more for mother than for us. As I do hers too, the same day as ours, and I get enough paper for hers.

I have had an extra job this year. I made and decorated our pastor's daughter's wedding cake. I had some help on the baking and a lady helped me the day we put it together, and yet it was really a job. But I was rewarded with it looking just elegant! (not bragging, but I was pleased since it was my first wedding cake, and too because I worked so hard on it.) It would feed 300. It was trimmed with Poinsettia's, and bells, and Christmas trees. (The trees ere made in crystal work, the same as the bells, but colored.) It was 16 in, 12, in, and 8 in. tiers, square, and the top layer was up on columns. Anyway I am still tired from the job. The wedding was Sat at 2:00, and I helped with the serving, and then Sat night was our lodge Christmas party, and I attended that too. Then Sun teaching my class. I slept nearly 2 hrs Sun afternoon - I was that pooped. Then Sun eve our Choir had their Cantata. It was very good.

We are doing quite well, both have had colds, and we seem to keep a little all the time, but all in all we are doing quite well. I guess we will be home this Christmas. I decorated yesterday, and we put up our tree Sun. afternoon. When we went to Calif last year, we did not put up a tree.

Thanks for telling Walter Bunch about me, I had a letter from them, and their interest in a book. I sent them one the day I got the letter, and they sent the check yesterday. I have not had any trouble with the relatives getting a book, and not sending the money! So we have honest relatives as well as many of them. There is a Kyle Bunch here who teaches in Jr. High School, and is also a painter. I am taking him a book to see if he belongs to us, and I believe he does - he looks like a Bunch. He also had a letter about the paper. I have not had any communication about it. But I would like to have it. I presume it is by our relatives. I am sure there are a lot of Bunche's that we do not yet have in our record. Mrs. Walter Bunch sent me a buhch of records, and I will make a mimeo on it as soon as I can manage it.

Since I went to see Maxine in Aug. I do not plan to go now, but would really like to. I hate to have her so far away. She is so busy with the children, and home work, and keeping up a job in a law office. Shelikes her job.

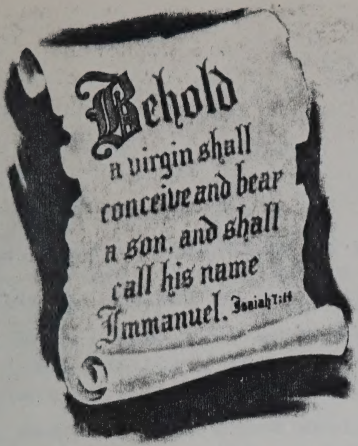
Mother is quite good for 80 yrs. I hear from her all the time. A friend of mine- who was my friend before I was married the first time, is staying with mother till she can recuperate from cancer, breast surgery. Mother will be a good morale booster for her. I would like to spend Christmas with them too.

We had such a beautiful fall, and not much snow since it first fell Nov. 18. In fact we need moisture. Have had some cold, but not really bad.

So glad to have a note from you, and write whenyou can. I know how busy a person is.

A VERY MERRY CHRISTMAS AND THE HAPPIEST NEW YEAR TO BOTH OF YOU!!!!

Love,



Come Let Us Adore Him

"And the angel said unto them,............behold, I bring you good tidings of great joy,...........

Joy is built into God's design for His people and at no time of the year is it more apparent than during the Christmas season. To know the Father is to experience a singing joy and a heavenly peace.

Let us, therefore, at this time consecrate ourselves through Bible reading, prayer and meditation to an even closer walk with God. Let us allow Him to speak to us with His eternal message -- let us listen for His voice guiding us that we may play well our parts in His great Plan.

And, as the Wise Men knelt before Him, dedicating themselves and their possessions in joy and gladness to the long awaited Messiah, so should we dedicate ourselves anew to His work. Let us bring our Christmas offerings of ourselves and our money generously so that His work shall go forward, bringing joy to all the world.

Wishing you a most joyous Christmas

Dear Ones, Near & far:

We have had the privilege of visiting with several of the family this year, but there are many of you that we have not been able to see. So we will bring you up to date on several of our activities. How we wish we could come to each home!

Sept. We spent a few days in Sunnyvale. How we enjoy every minute there. It is always too short. Sunnyvale & Colo. are just too far apart! We visited Nell, Fledger's & Gladys,,then on home. Lafe & Laura came over for dinner. I left for home by bus. Stopped at Mother's on way home. Fish dinner at LaVeta for district meeting.

SEASON'S GREETINGS Clyde and Nettie Hitcock

Christmas 1966

Dear Geneva:
I have not heard from you for some time. I imagine you have been busy.

I have mimeographed some additional pages, and have some more that just came in, that I will do, and send to you, after the first of the year. When Christmas rush is over. Mrs. W.C. Bunch at Bakersfield sent me a clipping from their paper, and wanted a "Family Tree" I asked her for more information on her family, and she sent me some on Walter Bunch, number 1834, page 106.

We are busy on cards, and adding notes. I also had the Bible study at church Thu. I worked out role playing on the book of Job, and they seemed to like it. But it took time out from my Christmas things.

I am real busy on church work - teaching each sunday, Having the Bible study each general missionary day. Working in planning and also to have a part in our school of missions to come up in Feb. Also I am going to each church in our association with a program for the women. Always something. But we have a new pastor, and he and his wife, are just the greatest. Everyone seems to like them so well, and things are booming in our church.

You will see from my other letter that Clyde has sugar diabetis, and I give him a shot of inuslin every morning. But he keeps going, and runs the store every day. I help him as I am needed, and do so much church work.

I sent Mrs. J. Frank Smith the books to sell at the re-union this year, but she did not get them in time. So they will be there next year - I hope. She had the extra pages to give out to those who have books. This is a problem - how to get out to the folks the new pages. I do not feel like standing the expense of mailing.

I hope you folks are well, and things are going good for you. As we get older things have to slow down a bit.

We have a lady in our church Anna Mae Coleman who has a brother Rowe in Berryville, and they gave me the latest news from Berryville - since they are here for a visit.

A VERY MERRY CHRISTMAS
AND
A HAPPY NEW YEAR!!!!!!

Dear Geneva:

Have meant to write for some time, but just put it off. I have heard from some more of the family. Mrs. Sanderson - who is Mrs. Landers Daughter - who is Daughter of Louisa Bunch Whitlock. She bought a book, and promised to send me lot of material about her family. We have the names of Louisa's daughters, but do not have any of the grandchildren. So will be glad to have it.

I have been so busy in church work. As you can see from my Christmas letter. But thought I would add a bit for you. I really need to write a lot of personal letters, but just do not have the time. So the Christmas letter has to do.

I enjoy so much a personl note from each one. what they are doing, and how they are etc. It is so much more meaningful than just a card.

Maxine (my daughter hopes to come see us about the middle of Next June. I hope she will be abel to make it. Clyde's daughter has visited us every summer, and his son did too - as long as he lived. But Maxine has not come since 1960.

I had a couple of days after Thanksgiving with my mother. She was so glad to have me. She is doing quite well for a person 83. Had a nice garden this year, but not as big as last year.

Did I send you some extra pages? I meant to - but not sure if I did.

Clyde has not been feeling very well. He has trouble with his breathing. Then he took a cold 1½ weeks ago, and that has made it worse. He has been trying to redecorate a rental we have on the east side, but would do like 2 walls, and then give out, and have to come home. So we fiaally got a man to finish it. He should have it done soon, but we got a big snow yesterday, and he was late getting over on the job. We have not heard from him today, so do not know how he is doing. We would like to get it rented before Christmas if we can.

How are you coming on your side of the family? Also how was the reunion this year? I have not heard from anyone about it.

hope you are feeling o.k. and theings are going fine for you.

MERRY CHRISTMAS AND A HAPPY NEW YEAR!!

Love,

Nettie

HAPPY NEW YEAR!

Dear Loved Ones at Christmas time 1968:

It was so nice to have greetings from many of you last Christmas, & many already this year! I enjoy so much a personal message with our Christmas Greetings.

Health-wise we are doing fairly well. Clyde has lost some weight, and has had some trouble again with too much sugar. But we are controlling it with Insulin & diet.

Busy through the year in many Church, Associational & State projects. Several trips to Denver on State work. I taught in our school of missions 6 sessions in Jan. & Feb. Served on nomination committee for our women's officersof Assn. Also several meetings to plan and carry out our associational meeting.

Maxine, Anita, Steven & Garry arrived from Calif. for a two week visit. We are busy visiting friends, & relatives. We had 3 good days with Uncle Onnie & Aunt Elsie. Onnie took us out to my old home place, & to Estes Park. Picnic with group that Maxine was in when we lived in Pueblo. Lunch with Jane Green. Lunch with Mrs. Bowen. Dinners & 2 overnight stays with the Robbins in Denver. Visited Esther & Everett in Cheyenne. Visited Walter, Alta, & Philip. Visited Lois & Claire, & they spent night with us. We all went to S.S. & Church & to Colo. City for picnic. Time for them to go.

Marie & Richard arrive from Ft. Worth, and we have a busy 12 days. We go to the Williams cabin for class meeting. Clyde & Richard go fishing. Picnic at park with ne & family, went swimming in Park pool(got sunburn!) Good visiting. They leave.

I had a week with mother at Mesa. She is 84 this year, and still had some garden! I sewed for her, and canned a few apricots for me. Sonja, Cleo, & Iva Kay are there too, and we had a good visit. Faye visited me here too. Violet took me back to Grand Mesa, where I got a ride home.

Arnold arrived for a two week visit! We all attended Church picnic at Colo. City. We had a dinner for Rev. Unmack (who was teaching Bible Study), the Tuttle's, Arnold & Mrs.Foster. Arnold enjoyed visiting friends and relatives.

Today I received several Christmas cards, with letters. Thank you so much! It is so good to have a personal word. I have been saying I must get our letter out.

My how the years go whizzing by! They say you can tell that you are getting old then the time whizzes by. But many younger people say the same things. We are all busy!

There has been some talk this last year about letters like this. But I receive many letters like this from friends, and enjoy every word of them! For the most part it is the only time of the year when we do hear - so a letter about what we have been doing & how they are, means so much more than just a greeting. I say if those who receive the letters do not care to read them - they are not compelled to by any means. They can file them in the waste paper basket. Me! I cherish them and read them over again - so keep them coming!

May there be joy in hearing, The bells of Christmas Chime,
May there be peace within your heart, throughout this Holy Time!
And may the Babe of Bethlehem, Who in a manger lay,
Bless both you and those you love, This Happy Christmas Day!

ERRY CHRISTMAS TO ALL! & MAY GOD BLESS YOU!

Dear Loved Ones:

I know there are some people who do not like Christmas letters, but I happen to be one who likes to receive letters at Christmas time, so I send them too. The formula for those who do not like them is to put this in file 13, right now!

Some of you may not know that Clyde Pitcock passed away May 11, this year. He had been in failing health, and not feeling good for some time. He had a good evening, Sat. May 10, watching T.V. He had a good nights sleep, and when I got up at 7:15, He had just slipped away in his sleep. So I have been trying to pick up the pieces. I have been going through probate! It is really rough! I have worked so hard on the rentals, and the store, to get them ready to sell. One place is sold, and I am still working on the others. I have been selling out the store since June 18.

My mother is 85, ans is still able to have some garden, and care for her home. She has planned a family reunion for Christmas, at her place at Mesa, Colo. There are 7 of her children living, and we all hope to be with her for Christmas. We hope the weather cooperates.

Maxine has moved to Sunnyvale recently, and as soon as I am able to get things straightened out here, I hope to move out there too. It is not easy to pull up stakes, and move across country. I have many dear friends at Sunnyvale Calif, and of course I would like to be near Maxine.

I have been working on our "Family Tree" and have 65 books, with each book having about 200 pages, ready to sell now. It is lots of work, and yet very rewarding. I am so happy we have this much information. It is a never ending process to keep up with births, deaths, and marriages.

Thank you each one for your letter, or note in your Christmas card. I appreciate so much to hear from you at Christmas time. Since we do not take time to write during the rest of the year. Your letters make up about one half of my Christmas.

I have been active in Church work this year, as time permits. I have not done as much as before, because of time. I will be glad when I am free to do more.

A special touch of Christmas
On a Christmas card,
A special thought at Christmas
Sent with warm regard!

Merry Christmas! Happy New Year!

Love,
Nettie

Dear Loved ones, far and near:

Christmas 1970! It has come so fast this year! Already I am receiving cards and letters. This is the best part of Christmas - to hear from loved ones far away, that I have not heard from for the year.

This has been a year with many frustrations, and problems. We do not have the estate closed as yet. I have to keep endless records of all of it.

I have had an injured knee, wrist, and a broken finger, but they are all better now. These were all in separate accidents.

I spent six weeks redecorating the ranch house. The folks who had lived there left it in a terrible mess. I set glass, laid quarter round, repaired linoleum, painted all 6 rooms, as well as texturing 3 ceilings, and 2 rooms. I don't really enjoy this work, but it is one way of getting it done.

I mentioned our family reunion last Christmas. It was a great success! Four boys and two girls, came by plane, bus, and car to visit mother! One sister could not make it, as her daughter was coming home. We had a great time recalling childhood experiences, kidding each other, etc. Some had not seen each other for many years, It was a wonderful reunion. We took a lot of pictures. It would be great to have it every year.

Mother came home with me, and spent Jan & Feb with me. I sewed for her, and we had a good time visiting, and also visiting friends.

I spent a week in June with mother, and also helped out on Cleo's wedding (my niece). I also spent a week in July with mother at Mesa. In Nov. mother came over for a visit, and is still here. Her health has failed, and it is not easy for her to get around. She is 86!

I teach an adult Sunday School class ages 35-44, and I enjoy that. I am active in circle, and missionary society. Our church hosted our Colo. Baptist State Convention this fall, and I helped in that.

I had hoped that by this time I would be in Calif. but it has taken so much time to get things straightened out. So I am hoping this next year will be different.

I am thinking of visiting in Calif. for Christmas! But not sure as yet if I can make it. It depends on how mother is, and if she goes back to Mesa for Christmas etc.

Thank you for all your cards and letters. I really enjoy hearing from each one at Christmas time, since we do not take time to correspond other times of the year.

I hope all of you have had a good year!

A little prayer at Christmas
To hope that God will bless
All your days with peace and love
And lasting happiness.

God has given to us Eternal Life
And this life is in His Son!

Dear Friends & Relatives far & near:

I am receiving Christmas cards and letters already, and here I have not gotten mine written as yet. But seems I am always busy, busy!

I took a full time job in Jan. I took care of a lady 90 yrs old. We became very close friends and it was very hard to see her go into the nursing home Oct. 8th. But she was getting so frail, and her daughter had to be up nights with her, so we had to do something. She is doing o.k. there, but she does not really like it.

I did not know how I could keep up my place and work. But I managed. I did not have much fruit this year, so did not have any to can. I had a tiny garden.

We had the bad news of losing 2 brothers this year- in one week! Leonard, My oldest brother- who lived at Byers, just east of Denver, died April 23, after a fall & a blood clot. Harlen, who lived at Orofino Idaho, died April 28, of a heart attack. I was not able to go to Denver, but did fly up to Orofino for Harlen's. I got to see several of the family. This leaves me 2 brothers- I had six originally.

My grand Daughter, Anita had a birthday Dec. 6. She was busy that night, so I had a dinner for her on Fri eve. We had 9 here for dinner, and a good time. Maxine came over Sat. and we went shopping, and had a good time.

Maxine's second child- Steven is in the service, and stationed in Korea. I have been busy baking cookies to send him, packing them, and have them ready to mail. Also I am sending him a 3 lb can of coffee. He said that what they get over there is weak and not very good. He says it is icy and very cold there now. Steven is 6'2".

Maxine's third child- Garry is home, and is in 11th grade now. He is over 6'. They are all fine. Maxine still works as a legal Secy.

I am busy in church work. My circle is tomorrow. I am the chairman. We have made 9x9 bags that wheel chair patients can tie on their chairs, and put things in that they want to take with them. We will visit the nursing home and take them the bags tomorrow, and then go to a members home and have our meeting.

I teach my adult Sunday School class part time, as we have other members who will teach. I enjoy this class so much. We had a dinner at a lovely place Dec. 1.

I am teaching a Bible Study on Wed. nights for 12 weeks. I have taught Philippians, and we are now studying Colossians. It is lots of work, but interesting too.

I am on the Diaconate board, and serve as Socy. Another lady and I prepare Communion every other month. Two other ladies do it the other months. We also help in the Baptismal Services. So there are several responsibilities.

I was robbed in Aug. While I was at Sunday School & Church, on Sun. A.M. The neighbor kids saw him, but did not call police. Said he was a kid about 20 yrs old. He crawled through a window after taking the screen off, and stole money, and my coin collection. Ransacked my home and messed things up. I was just sick!

We had lots of rain in the early spring, and now have had lots of rain this fall. More than usual, in fact. We do not have rain in the summer months here. My roof is bad, and I have arranged for a roofing man to fix it.

Thank each one of you for your lovely cards and greetings. I enjoy my Christmas letters & Messages so much. Especially those I do not hear from all year.

A special prayer at Christmas time
That God above will bless
Your heart and home and loved ones
With Peace and happiness.

Love,
Nettie Pitcock

Dear Friends:

Here it is the last month of 1974. Christmas will be here very soon.
MERRY CHRISTMAS & HAPPY NEW YEAR!!!

I began 1974 with high hopes of going to the Holy land, on a tour with our pastor, and several folks from our church. I got my passport, had the smallpox vaccination, and the cholera shots. Then I began having heart pains, and went to the Cardiologist, for that.

I had E.K.G'S and the treadmill test. Then entered the hospital for the Catherization test. Two days in hospital for a very trying test. The Dr. found that I had 1½ of my heart arteries closed- blocked off, and that I needed open heart surgery to give me a by-pass. The Dr. cuts from groin to knee, and removes an artery, which he uses to by-pass the heart, and just leaves in the old arteries.

He cuts from collar bone to the belt, and saws through the bone and lifts it up, and applies the by-pass. I had a 3 artery by-pass. some have less or more. It is a very serious operation, and takes time to recover from it. I was in intensive care for 5 days, and then in intermediate care for 4 more days. Then home, but just able to do only for myself. It was a long and slow recovery.

Then in August I began to have heart pains again. I went to the Dr and after medication, etc, they decided I needed another Catherization to see what is wrong. So I entered the hospital Nov. 6, had the Cath Nov 7 & home with friends the 9th.

Dr. found that- the other 1½ of my old arteries were completly closed, and that 1½ of my new arteries were also closed. That is why the pain. **Dr. says** lots of rest- lots of vitamins. Another open heart surgery is not advisable at this time.

I have had good support for all of this from Maxine, and my many friends here. My church was so good to me, and some of my class came to be with me the days that Maxine was working, till I was stronger.

Also Ivan & Eva May came to spend 6 days with us. Enjoyed their visit. Also Bertha, Fred, Marie & Mike came for a visit which we enjoyed.

So I have had to take life easier, and have had to give up most of my church work. I go for as many services as I feel like. Not easy to give up the work I love so much.

I had hoped to take the holy land tour this year, but it is out now too, I guess.

So much for my sad news. On the good side I am still able to live in my little home which I enjoy so much. Maxine lived with me from May 1- Aug 10. But I have been able to manage alone since then.

I still have Shanna- my little blonde poodle. She is lots of company. She really hates to be left alone, so my being home more suits her fine.

I enjoy hearing from all of you at Christmas time, and I enjoy so much letters, especially when I have not heard from you all year. So do write.

Maxine is fine. **Anita** is living with her now. Steven is home from service, and has a good job. Garry is in service and stationed for now at Ft. Ord. I see them quite often.

As the bells of Christmas summon us to worship and to pray,
With thankful hearts we share the joys of this most holy day
May you find new hope and happiness, new faith in God above
As the season's bright blessings come to you and those you love.

Above: Home of Nathaniel and Orlena Bunch; of their son Chas; & now (1959) of grandson, Floyd Bunch. Thought to be 163 yrs old (1959); was originally one large room with no windows. First post-office at Dinsmore was a nailkeg fastened to the wall. Under the roof of the front porch can be seen the hand-hewed logs squared to 10x14, & the notched corners. The roof is of hand-made shakes.

CAPT. LARKIN and ELIZA (MAXWELL) BUNCH

Capt. Larkin C. Bunch was born in Overton County, Tenn., October 24, 1827, and was killed in the battle of Pilot Knob, near St. Louis, Missouri, Sept. 24, 1864. He came with his parents to Newton County, Arkansas, in 1841, and was always an honest tiller of the soil. During the early part of the war he was elected captain of a company of State troops, and he soon after organized a company of Confederate troops, and was chosen its captain, and was a participant in many hotly contested battles. He was a Democrat, a Mason and a member of the Baptist Church.

His wife, Eliza (Maxwell) Bunch, was born in Tennessee, May 8, 1835, and moved with her parents to Illinois, and after ward to Franklin County, Ark. She is still living, the wife of J.C. Reeves, and resides on the old homestead in Newton County, Arkansas. She and Capt. Bunch became the parents of five children:

Stillman B., born August 27, 1853,
Joel N., born April 21, 1856
Clarissa E. (Kay), wife of John P. Stamps
John A., born Sept. 15, 1860
William Larkin, born June 27, 1864

OBITUARY

REEVES - Mrs. Eliza Reeves, (nee Maxwell) daughter of Joel and Clarissa Maxwell, was born in Overton Co., Tenn., May 8, 1835. At the age of four she, with her parents, moved to Illinois, where her father died. Two years after with her widowed mother she removed to Johnson Co., Ark., where they remained five years and them removed to Franklin Co. In Sept. 1852, while on a visit to her grandfather Moore's in Madison County, she was converted at the Methodist camp-ground on King's River, and on the 24th day of the following October she was happily married to Larkin Bunch of Newton Co. He was a member of the Free-will Baptist Church, a brother of Hon. Bradley Bunch of Carroll Co., a man of good repute. In 1855 she joined the M.E. Church South, at Shiloh and from the day of her accession to the time of her triumphant departure, she was a devoted and useful member. In 1864 her husband, Capt. Bunch, was killed in the battle of Pilot Knob. She was left with five helpless children to raise. By her industry and economy she did this creditably. They are all living and all save one are members of the Church, two Methodists and two Free-will Baptists - all are honorable and respectable citizens. The present Circuit Clerk of Madison Co. is a son of hers. Nov. 28, 1878, she was again happily married to J.C. Reeves of Dry Fork. Uncle John, as he was called by his neighbors, was a leading member of both the M.E. Church South and the community, and a well-to-do farmer. Her home was always characterized by a generous hospitality. It was the home of both Methodist and Baptist preachers. Eight years ago, this writer together with her pastors, G.P.R. Vandzant, P.C., and H.C. Jolly, P.E., had the pleasure of a visit to her happy home. All who came under that roof felt that hers was a happy home, and that the inmates thereof were heavenward bound. I am told by her pastor, J.W. Griffin, that she every morning, despite the pressure of business, read a chapter in the Bible. She was held in high esteem by a host of faithful friends whom she, by the consistency of her Christian life, drew about her. And, in her last sickness they together with her devoted husband, did all they could to prolong her precious life. That terrible disease called la Grippe together with the pneumonia baffled medical skill, and on April 12, 1891, she died in peace. She leaves her aged mother, four sons and one daughter, and her sorrowing husband who says, "she was a good Christian woman". A large company of her neighbors and friends attended her burial conducted by her pastor. Her mortal remains were laid to rest amid tears and sobs from loving friends. Let me live the life of the righteous and let my last end be like hers.

-- Alex Mathes

was elected to the office of probate judge in 1890 by a large majority, and has ever been active in political matters. He is a member of the Baptist and his wife is a member of the Christian Church, and both are active workers in their respective churches. Six children have been born to our subject and wife: Mattie, who died when small; Mary F., the wife of Bent May, resides north of Galena and has four children (William, Benjamin, Vernice, and an infant, Atta Ed Kes); Nancy E. married James Hunt, and resides on Wilson Run, four miles from Galena (they have six children—Vedie, Edwina, Walter, Oscar, Edna and Roma, an infant); William, a single man, runs a livery stable at Galena; James died when nineteen years of age; and John is married and living on James River. The Judge and family are classed among the best citizens of the county.

Capt. J. W. Story. This able attorney at law has his office at Harrison, Ark., and in every branch of his profession he is meeting with marked success. He has a decided veneration for the law, and this, combined with the accuracy of his legal knowledge, lucidity of statement and felicity of illustration has given him the confidence of all his patrons. He is a native of Tennessee, and a son of N. W. and Katie Story, who lived and died in White County of that State. His father was a successful farmer, a man of pure and exalted character, who enjoyed in a high degree the confidence and esteem of his neighbors. The subject of this sketch was one of a family of four sisters and three brothers. The other two brothers are now prominent lawyers of Sparta, Tenn. The early life of Capt. J. W. Story was spent in his native State, and there he obtained his education. He graduated from the Law Department of Cumberland University at Lebanon, Tenn., in 1868, and entered upon the practice of his profession in that city the same year. In 1873 he went to Sherman, Tex., but since 1885 he has been a resident of Harrison, Ark., and one of its most successful practicing attorneys. He has devoted himself exclusively to his profession and is justly considered one of the foremost attorneys of Boone County. Since locating here he has been connected with the most important cases that have come up in the courts of his section and has conducted them with dignity, discretion and ability. In politics he has always been a stanch Democrat. In religion he is a Cumberland Presbyterian. He is an active and interested worker in the cause of education. In the honorable order of Masonry he is a Knight Templar. Capt. Story was married in 1876 to Miss Mollie Goree, a highly refined and accomplished daughter of Dr. J. L. and Mary E. Goree. Her parents settled in Arkansas County, Ark., in 1852, where they resided until the death of her father after the war. Her father was a prominent physician and planter. Mrs. Story's only surviving brother is Dr. J. L. Goree, who is now a leading physician of Pine Bluff, Ark. Capt. and Mrs. Story have three children: Katie, Goree and John. Their residence is on Vine Street, in the northern part of Harrison, where they dispense a refined yet generous hospitality. Capt. Story is a safe and successful business man and has accumulated considerable property. In 1861 Capt. Story enlisted in the Confederate Army and served in Company I, Fourth Tennessee Cavalry, to the close of the war. He took part in the battles of Fishing Creek, Stone River, Chickamauga, Missionary Ridge, Resaca, New Hope Church, Bentonville, N. C., and many other important engagements. He served as a private until near the close of the war, when he was promoted to the command of his company for distinguished gallantry upon the field of battle.

John A. Bunch. This gentleman is the receiver of public moneys in the Government Land Office at Harrison, Ark., and is a native of this State, born in Newton County, September 15, 1860, a son of Capt. Larkin and Eliza (Maxwell) Bunch, the former of whom was born in Overton County, Tenn., a son of Nathaniel Bunch, who came to Arkansas in 1840, and made a home for himself and family in the northwest corner of Newton County, being one of the first to settle in that region. He also was a native of Tennessee, and was a soldier in the War of 1812 under Jackson, and after his death his wife received a pension for the services he rendered the Government. He was a farmer and died in 1858. Larkin Bunch was a young man when he came to Arkansas with his parents, the journey thither being made by wagon. He followed in his father's footsteps, and became a farmer and stockman, and when the Civil War came up he left home and joined the command of Gen. Price, with whom he took part in the Missouri raid. He assisted in organizing one of the first companies in Newton County, of which he was elected captain, and died while serving the Southern cause, at Pilot Knob. He was a member of the Free-Will Baptist Church. His wife was a native of Illinois, and a daughter of John and Clarissa Maxwell. She died April 12, 1892, on the old home farm in Newton County, which is still owned by the family. John A. Bunch was one of five children: S. B., who is living on the old home farm in Newton County; J. W., who is a farmer and merchant of Madison County, has represented his county in the State Legislature; Clarissa E. is the wife of J. P. Stamps; John A., and William L., a merchant of Kingston, Ark. John A. Bunch was reared on the old home farm in Newton County, attended the common schools, and at the age of eighteen years entered Clarke Academy at Berryville, where he finished his education in 1880. He then engaged in merchandising at Kingston, and remained associated in business with his brother for about eight years. In October, 1888, he was elected county and circuit clerk of Madison County, and held the office two terms, the last two years being only circuit clerk. In 1892 he again entered business in Kingston with his brother, and after following that occupation for six months was appointed receiver in the land office at Harrison by President Cleveland, and has since held the position. He has always been a Democrat, has attended State conventions, was a delegate to the Congressional Convention at Eureka Springs in 1892, and has been prominent in the political affairs of his section. He is a member of the A. F. & A. M., the I. O. O. F. at Harrison, has always been interested in the schools of his section, and is a public-spirited man. He was married to Miss Ala F. Ogden, a daughter of W. R. Ogden, and their union has resulted in the birth of six children: Jahel B., Irno, Vera, Sada, Avo, and an infant. The mother of these children is a member of the Free-Will Baptist Church. Mr. Bunch has made his home in Harrison since October, 1893, and is one of its most public-spirited citizens.

Lemuel R. Jones. Among the most esteemed and respected citizens of the town of Western Grove there is not one who has been a more faithful soldier, a more pleasant or agreeable member of society, or a more thorough and sagacious business man than Lemuel R. Jones, who is now notary public and postmaster at that place. His life of industry and usefulness, and his record for honesty and uprightness have given him a hold upon the community which all might well desire to share. He is a native of the State of Missouri, born in St. Francois County, February 1, 1833, and ninth in order of birth of a large, old-fashioned family of children born to Solomon and Elizabeth Burmam Jones, natives respectively of North Carolina and Tennessee. The parents were married in the latter State, but later moved to Missouri, where they made their home until 1834, when they came to Pope County, Ark. There Mrs. Jones died about 1836. Mr. Jones afterward moved to Searcy County, and about three years later moved to Newton County, where he married Miss Elsie Lane, and here passed the remainder of his days, dying about 1856, when seventy-six years of age. He was a farmer and one of the pioneers

JOHN ROBERTS KILLED IN CARROLL COUNTY

John Roberts, age 38, was shot and killed about 9 o'clock Monday night in the Connor cummunity, Carroll county, and Claris and Troy Fancher, ages 30 and 28, are held in the Berryville jail on the charge of murder. It is understood there had been bad feeling between the men for some time. The berryville Star Progress reports what are said to be the details of the killing as follows:

"Roberts and his nephew, Parker Miller, were returning from Berryville in their truck Monday afternoon and about a mile~~s~~ from their home found the highway blocked by two trucks with a team of mules hitched between them, while the Fancher brothers were in the cab of one of the trucks. Miller said that his uncle alighted and asked the brothers that he be allowed to pass. Miller said the brothers removed the team saying that would give enough room for Roberts to drive his truck through. Miller said that while his uncle was driving his truck through the gap, the brothers opened the door of their cab and pulled Roberts into the Cab. He charged that Claris Fancher then shot Robertsin the head with a pistol, killing him instantly."

It is understood that Roberts was a brother of Dr. D.C. Roberts and the Fanchers are sons of Mr. and Mrs. Tom P. Fancher.

LOCAL LADY IS WINNER OF $200 ON TV PROGRAM

Mrs. Maxine Whiteley Gets Cashand Fine Automatic Washer

Mrs. Maxine Whiteley, the former Maxine Fancher of Rt. 2, Huntsville, was awarded $200 in cash and the latest model automatic Washer, on the "Strike it Rich" nationally televised programfrom New York City on Dec. 28. (1957). The program is primarily to help unfortunate people or the physically handicapped.

Mrs. Whiteley's sister, Mrs. Vernell Guess, of Albany, Mo., wrote a letter to the "Strike It Rich" program asking for aid for her sister and on Dec. 28 her letter was picked to be read on the air and as much help as could be given her, by the winner on the program.

Mrs. Whiteley's helping hand as the person who actually appears on the program is called, was a young actor named Bradford Dillman, who won $200 for Mrs. Whiteley.

Officials of the Maytag Corp., with headquarters in Newton, Iowa, called while the program was on the air to say that they were sending Mrs. Whiteley the washer and that it would be installed by the Easterling Maytag Co., of Huntsville. Mr. Easterling stated that the machine had arrived here and that it would be installed in the Whiteley home as soon as water connections could be made in the home.

Mrs. Whiteley gave us the following information as to how she received the place on the program:

"On Feb. 23, 1955 I was operated on for a tumor of the spine and it left me paralyzed from the waist down. I was in the Burge Hosp. in Springfield, Mo.

"My sister, Mrs. Vernell Guess, of Albany, Mo., wrote a letter to "Strike It Rich". She sent the letter to Rev. Cecil Garrison of Springdale to have him verify it before sending it on to the program. About a month later I received some papers to fill out and had Dr. Smith and Rev. Steve Montgomery verify them.

"On Dec. 28, 1956, my letter was picked and a young actor, Bradford Dillman, was my helping hand. He won $200. Then the Maytag Co. sent in a heartline call saying that they were sending the latest model in a Maytag Washer for which my sister asked. So I got the $200 and the washer.

"I was ironing that morning and wasn't watching the program. In fact, I didn't think my letter would ever be read, so I didn't watch very often. The Rev. Morrison of the Huntsville First Baptist Church came to tell me, first. I was never so surprised; I never won anything before in my life.

"I believe that my husband, Carl, and my daughter, Carla Sue, who is seven years old were happier than I, if possible, for they did most of the washing."

BUNCH FAMILY IS AMONG THE PIONEERS

From "The Ozarks Mountaineer, "November, 1957.

The Mountaineer continues its occasional features about old families of the Ozarks that settled here long before the Civil War and have maintained family continuity throughout these long years. The old home place, established by the first of these lines, remains a proud possession, and there the annual reunions are held. The following article is about the Bunch family of Carroll County (Ark) and the dwelling that the pioneer (Bradley) built where his descendants still live.

Another of those fine old pioneer families who settled in Northwest Arkansas is the Bunch family. Their individual names would likely fill more than the twenty pages of The Mountaineer. The annual family reunion, recently held on Lake Atlanta, Rogers, Ark. drew "bunches" of relatives from several states - Texas, Oklahoma, Missouri, Ohio, Illinois, Kansas, and Arkansas. The 1958 reunion will be held at the home of R. Herman Bunch, at Afton, Okla.

J.N. Bunch, of Berryville, Arkansas, president of the reunion since its revival in 1952, is endeavoring to reconstruct the family tree. He has traced the ancestors from London, England, to Virginia, where John Bunch settled in 1632. The colony then was in its infancy.

Five Bunch brothers landed later at Alexandria, Virginia, in 1711, and settled in the counties of New Kent, Hanover and Louisa, according to the family records. Nathaniel Bunch, born in Virginia in 1793, was the first to come to Arkansas, in 1836. He died in 1854 and was buried in the family cemetery at Old Liberty, near the junctions of Carroll, Madison and Newton counties. The reunion has purchased a monument to be erected at his grave.

Bradley Bunch, son of Nathaniel, was born in 1818, and came with his father to Arkansas. His record of public service is outstanding in the annals of early county and state government. He acquired an ordinary education in the old home community in Carroll County, later removing to near Berryville, the county seat. He was county representative in the state legislature from 1854 to 1860 and again in 1866, at which session he was Speaker of the House. He was elected state senator in 1862 and served in a short session in Little Rock and in a called session in Washington, Hempstead County, when the state government was removed to the latter place in 1864. He was returned to the senate and served as its president in 1874, and was a member of the State Constitutional Convention of that year which gave Arkansas its present Constitution. He died January 8, 1880, and was buried in the family cemetery near his home north of Berryville.

The old Bradley Bunch home has become a family shrine. The Carroll County Historical Society held a recent meeting there and designated it as the oldest house in the vicinity of Berryville. It has been used continuously as a residence since its erection in 1848 more than a century ago.

This well-preserved old frame home must have been an exceptionally nice country home in the early day. It has two large rooms, with hand-hewn stone chimney at either end. What would have been a hall-way ("dog trot") was a smaller middle room. The kitchen-dining room forms an "L" in the back. The front porch, torn away by a tornado years ago, has been replaced , as has the roofing made of 3/4 inch thick, 3 foot long hand-riven boards. The

BUNCH FAMILY IS AMONG THE PIONEERS

From "The Ozarks Mountaineer,"November, 1957.

The Mountaineer continues its occasional features about old families of the Ozarks that settled here long before the Civil War and have maintained family continuity throughout these long years. The old home place, established by the first of these lines, remains a proud possession, and there the annual reunions are held. The following article is about the Bunch family of Carroll County (Ark) and the dwelling that the pioneer (Bradley) built where his descendants still live.

Another of those fine old pioneer families who settled in Northwest Arkansas is the Bunch family. Their individual names would likely fill more than the twenty pages of The Mountaineer. The annual family reunion, recently held on Lake Atlanta, Rogers, Ark, drew "bunches" of relatives from several states - Texas, Oklahoma, Missouri, Ohio, Illinois, Kansas, and Arkansas. The 1958 reunion will be hald at the home of H. Denman Bunch, at Afton, Okla.

J.B. Bunch, of Berryville, Arkansas, president of the reunion since its revival in 1952, is endeavoring to resurrect the family tree. He has traced the ancestors from London, England, to Virginia, where John Bunch settled in 1652. The colony then was in its infancy.

Five Bunch brothers landed later at Alexandria, Virginia, in 1732, and settled in the counties of New Kent, Hanover and Louisa, according to the family records. Nathaniel Bunch, born in Virginia in 1793, was the first to come to Arkansas, in 1838. He died in 1859 and was buried in the family cemetery at Old Liberty, near the junctions of Carroll, Madison and Newton counties. The reunion has purchased a momument to be erected at his grave.

Bradley Bunch, son of Nathaniel, was born in 1818, and came with his father to Arkansas. His record of public service is outstanding in the annals of early county and state government. He acquired an ordinary education in the old home community in Carroll County, later removing to near Berryville, the county seat. He was county representative in the state legislature from 1854 to 1860 and again in 1866, at which session he was Speaker of the House. He was elected state senator in 1862 and served in a short session in Little Rock and in a called session in Washington, Hemstead County, when the state government was removed to the latter place in 1864. He was returned to the senate and served as its president in 1874, and was a member of the State Constitutional Convention of that year which gave Arkansas its present Constitution. He died January 9, 1890, and was buried in the family cemetery near his home north of Berryville.

The old Bradley Bunch home has become a family shrine. The Carroll County Historical Society held a recent meeting there and designated it as the oldest house in the vicinity of Berryville, to be used continuously as a residence since its erection in 1848, more than a century ago.

This well-preserved old frame home must have been an exceptionally nice country home in its early day. It has two large rooms, with hand-hews stone chimney at either end. What could have been a hall-way ("dog trot") was a smaller middle room. The kitchen-dining room forms an "L" in the back. The front porch, torn away by a tornado years ago, has been replaced , as has the roofing made of 3/4 inch think, 3 foot long hand-riven boards. The

Lumber was hand-planed with a drawing knife. The nails were made at a blacksmith shop. The lumber and the chimney stones, quarried at the nearby Charley Bunch place, were hauled to the site on ox-drawn wagons.

The original hand-made doors were fastened together with wooden pegs. Limestone was burned at the quarry to make the mortar for holding the stones in place and to mix with buttermilk to whitewash the building when it was finished.

The land on which the house stands was homesteaded by Andrew Jackson Vaughn, November 15, 1854, but the patent, issued by President Franklin Pierce, was not recorded until October 19, 1953. The property was purchased by Bradley Bunch in March, 1857. Ownership of the house has remained continueusly within the family since that date. Mrs. Violet Keck, granddaughter of Bradley Bunch, is the present owner.

BUNCH FAMILY REUNION HELD LAST SUNDAY

The Bunch Family held the annual reunion at Liberty Church on Dryfork Creek Sunday, July 5. Various sections of Arkansas were represented and out-of-state people were in attendance from Oklahoma, Colorado, Texas, and California.

Those attending the reunion from Berryville were: Mr. and Mrs. Johnnie Long, Mrs. Henry Bunch, Mrs. Joe Thomas, Mrs. AnnaSmith, Raphu Allred, Mr. and Mrs. George Williams, Mrs. Manta Hamby, Mr. and Mrs. Claude Newberry, Coy Logan, and Miss Violet Keck.

At the noon hour a table was spread that provided food for everyone. J.B. Bunch presided at the meeting. He displayed a big scrap book of history and information about the Bunch family. He says he is not alone in collecting this information. Carl Bunch of Springdale has helped. Mrs. Geneva King, of Nowata, Oklahoma, and Mrs. Eunice Bradbury of California have given a lot of their time to collect the family history.

J.B. introduced some of the older people who were present. He said Mrs. Elizabeth Bunch (Mrs. Tom Bunch) was not able to attend the reunion. She will be one hundred years old this month.

Mr. Bunch pointed to old pictures and charts on the wall to explain the different lines and relations in the family. Walter Lackey, President of the Newton County Historical Society, spoke to the group telling about the Bunch people that came here as pioneers. They became farmers, teachers, postmasters, law makers, and businessmen who played an important part in developing this section of the country.

Coy Logan presented a recording of some Bunch family history that J.B. Bunch had helped to collect. This tape recording tells some history of Carroll County as Bradley Bunch knew it in 1876. Bradley Bunch was the first of the family to come to Arkansas. He came in 1838. In the history Bradley Bunch tells how the people lived in 1876. He tells some things about the schools at that time. In the recording J.B. read a letter that Larkin Bunch wrote to his wife when he was stationed with the Confederate troops near Fayetteville. He was killed later at Pilot Knob, Mo. This recording will be used for the Voice of The Schools Program over Berryville Radio Station KTCN Sunday, July 12, at 5:00 p.m.

A few years ago this organization raised funds to erect a gravestone for Nathaniel Bunch. At this meeting the group started a fund to buy a stone to be erected for the grave of Sarah Bunch. Nathaniel and Sarah were the parents of the original Bunch family.

The group voted to meet at Rogers next year. Carl Bunch was named to make arrangements for a place to meet. The date of the annual reunion meeting will be the first Sunday after the Fourth of July.

Mr. and Mrs. Hayes Bunch of Vinita, Okla., spent the week-end here with Mr. Bunch's mother, and with his sister, Mrs. John Long and Mr. Long. They also attended the Bunch Reunion at Liberty, Sunday.

Mr. and Mrs. Charley Bunch, who have been visiting relatives here for several weeks, returned to their home in Compton, Calif., this week.

Mr. and Mrs. George Williams had as guests over the week-end, Mrs. Williams aunt, Mrs. Ella Bunch of Mesa, Colo., and her cousin, Mrs. Clyde Pitcock and Mr. Pitcock of Pueblo, Colo.

Mr. and Mrs. Willard Bunch and J.M. (of Sunny Lane) called at the Rodenbeck and Campbell homes, Saturday.

BUNCH FAMILY REUNION

By Geneva King

The Bunch Family Reunion was held July 10th at Murphy Park, Springdale, Ark., with over 200 attending from Arkansas, Oklahoma, Missouri, Texas, New Mexico, Colorado, and Oregon. Arkansas had the largest pepresentation, with Oklahoma second and Missouri third. Traveling the fartherest distance were Mr. & Mrs. C.B. Bunch from Oregon.

A basket dinner was served at noon, after which a business session was held. J.B. Bunch, Rt. 2, Huntsville, Ark., President of the Reunion, welcomed the group and introduced the older members and some who were attending for the first time. This annual event became active as an organization in 1952, at which time J.B. Bunch was elected President, and his reelection has been unanimous each year.

Mr. Bunch called attention to the project now under way to raise funds for erecting a stone at the grave of Sarah Bunch. Several years ago a fund was raised and a stone erected at the grave of Nathaniel Bunch. These two are the pioneer ancesters of the Bunch families of northwest Arkansas, and both are buried in the Liberty Cemetery in Newton County. Carl Bunch of Springdale, Ark., is chairman of this committee.

Another project discussed by the group was the family history and record of the descendants of Nathaniel and Sarah Bunch. This was begun in 1957 with Geneva King, Nowata, Okla., acting as recorder. Many new records are added each year, and the book now contains a record of over 500 families. It is arranged by families and has a complete index of over 2000 names. A numbering system has been devised so that new information may continually be added without rearrangement of the book or change in the index. The book also contains copies of documents, letters, obituaries, bible records, and pictures. Outstanding among these is a photocopy of the Certificate of Discharge received by Nathaniel Bunch at the close of his service in the War of 1812. The original certificate is in the National Archives, Washington, D.C.

Many members of the Reunion have spent a great deal of time in compiling their family records. In addition to J.B. Bunch, are: Carl Bunch, Springdale, Ark.; Allen P. Bunch, Bakersfield, Calif.; Miss Ethel Bunch, Ft. Smith, Ark.; Mrs. Anna Smith, Berryville, Ark.; Eunice (Bunch) Bradbury, Los Angeles, Calif.; Nettie (Bunch) Pitcock, Pueble, Colo.; Blanche (Whiteley) Pratt, Jerome, Idaho; Mrs. Z.R. Hammer, Dallas, Texas; Zelda (Bunch) Johnson, Cleveland, Okla.; and Mary Elizabeth (Frederick) Harris, Colorado Springs, Colo. Research on the Bunch family in general is also being done, and attemtping to compile records of the Bunch family of Virginia and ancestors of Nathaniel Bunch ofArkansas, are: Richard H. Bunch, Chicago, Ill.; Tilghman H. Bunch, Washington, D.C.; GenevaKing, Nowata, Okla.; Blanche Pratt, Jerome, Idaho; and Eunice (Bunch) Bradbury, Los Angeles, Calif.

A vote of thanks was extended by the Reunion to Richard H. Bunch, Chicago, Ill., for his outstanding work in compiling Bunch records and for his generiosity in sharing them with other Bunch descendants; to Geneva King, for time and effort in arranging the Reunion records into book form; and to Blanche Pratt for furnishing the record sheets to be used in the Reunioh Book.

A project is now under way to mimeograph two booklets about the Bunch family. One booklet, "The Bunch Family" will contain a record of the old Virginia Bunch families as compiled by Richard H. Bunch in 1938, with additional old and new Bunch records and legends contributed by others throughout the United States who have Bunch ancestors. The other booklet, "Descendants of Nathaniel and Sarah (Ray) Bunch", will contain a copy of all records of their descendants possessed by the Reunion.

Manuscripts for these booklets are being prepared by Geneva King and the stencil-cutting and mimeographing is being done by Nettie Pitcock. Mrs. Pitcock planned these booklets for distribution to her own immediate family, but will make extra copies for those who want them. The price has not yet been determined but will depend upon the cost and will be reasonable. It is hoped that these booklets will be ready for distribution at the 1961 Reunion. Those wanting copies should make a reservation for them with Mrs. Nettie Pitcock, 416 W. Northern, Pueblo, Colo. All Bunch descendants are urged to send in their family record if the Reunion does not have it.

Two sons of Nathaniel Bunch were early settlers in Carroll County, and lived and died there. John Bunch (1812-1892) lived near Rule, and many of his descendants still live in Carroll County today. Representing this branch of the family from Texas this year were: Mr. and Mrs. Z.R. Hammer, of Dallas; Mrs. Nettie Thompson, of Paris; and Mrs. Ollie Connally, Plainview; also Mrs. Gay Johnson, from Grand Junction, Colo.

Bradley Bunch, (1818-1894) prominent in the political history of Carroll County, lived a few miles north of Berryville, and descendants still live in the area. His old home, still in good condition, is the oldest house in the vicinity that has been used continuously as a residence since its erection in 1848.

Although the Bunch Family Reunion was organized by and for the descendants of Nathaniel Bunch who settled in northwest Arkansas in the early 1840's, all persons of Bunch descent are welcome, and among the distant "cousins" who attended this year were John A. Bunch and family, of Joplin, Mo.; Mr. and Mrs. T.A. Cole, Bradford, Ark.; J.R. Cole, Bald Knob, Ark.; Josephine Rife Heyland, Bentonville, Ark.; Mrs. Nora Basket, Antlers, Okla.; and Mr. and Mrs. Garland King, Nowata, Okla.

A committee was appointed to make plans for the 1961 Reunion. H. Denman Bunch and Gov. Bunch, of Bernice, Okla.; Chess Bunch, Albany, Mo.; and Carl Bunch, Springdale, Ark.; met and announced that the 1961 Reunion would be held again at Murphy Park, Springdale, Ark., on "the first sunday after the 4th of July", which will be July 9th, 1961.

THE BUNCH FAMILY REUNION, 1961.

On July 9th I attended the Reunion of the Bunch family, the descendants of Nathaniel Bunch, 1793-1859, who "bunched" some 200 strong for their tenth annual get-together at Murphy Park, Springdale, Ark. J.B. Bunch, of Huntsville, Ark., president of the Reunion, welcomed each arrival and Carl Bunch, Springdale, had a cold bottle of pop waiting. Most of those attending were from Arkansas, but Oklahoma and Missouri were well represented and others came from Colorado, New Mexico, and California.

At noon, following the Invocation by Mrs. Denman Bunch of Afton, Okla., the traditional basket dinner was served, spread on one long table. I don't think anyone was able to "eat" their way completely around it.

Of special interest at this gathering was the family tree, copies of which were available for the first time, and which contain a record of the descendants of Nathaniel Bunch and his wife Sarah Wade Ray, some ancestry and other miscellaneous records. These mimeographed booklets have been several years in the making and are the combined work of Allen P. Bunch, Carl Bunch, J.B. Bunch, Eunice (Bunch) Bradbury, Blanche (Whiteley) Pratt, Mrs. J. Frank (Anna Allred) Smith, and GenevaKing, all of whom worked together to compile the records, and Nettie Bunch Pitcock who undertook to mimeograph the booklets and distribute them for sale. Mrs. Pitcock could not attend the Reunion, but her mother, Mrs. Frank Bunch, brought a supply of them with her on the bus from Pueblo, Colorado. Copies may still be purchased from Mrs. Nettie Pitcock, 416 West Northern, Pueblo, Colorado, for $5.00, plus postage.

J.B. Bunch presided at the afternoon program, at which he was unanimously elected President for the 10th time. Eve Rea & Neva Marie, twin daughters of Mrs. Eva Katharine Hampton of Independence, Mo. sang two short songs. J.B. related some of the family history and intorudced to the group the "youngsters" present who were over 80 years of age, and also those over 75. Also introduced were those present from each state; those who worked on the family records; and also guests of the Reunion, who were Mr. & Mrs. Herbert Bunch, Mr. and Mrs. S. Burgess Bunch, and Virgil Bunch, all ofEldon, Mo; and Mrs. Cora Niekamp of Jefferson City, Mo. and Mrs. Laura (Bunch) Bonnot and Miss Myrtle Bonnot of Bonnots Mill, Mo. An invitation was extended to attend a Bunch Reunion at Eldon, Mo. on Aug. 12th.

The planning committee, consisting of Gove Bunch and Denman Bunch of Afton, Okla., Chess Bunch, Albany, Mo. and CarlBunch, Springdale, Ark., met and made plans to hold the 1962 Reunion at the Liberty church, near Dinsmore, Newton Co., Ark., on "the 1st Sunday aftew the 4th of July". Liberty is very near the original homesite of the pioneer ancestor, Nathaniel Bunch. He and many of his descendants are buried in the Liberty churchyard and a visit there is more or less in the nature of a pilgrimage

The rest of the day was spent informally, visiting and working on family records. The weather was pleasantly cool, ideal for an out-door event, no ants, no chiggers, no sunburn. But I did develop a slight case of laryngitis,and I doubt if I was the only one. Silence is not a trait of the Bunch family.

Dear Eunice: (Bradbury).

My brother Raphu and I appreciated your letter very much. We are interested in your work and hope you can soon yet your book ready for publishing.

I am working some at getting an ancestry line established for my children. Day before yesterday Violet Keck and I went to the neighborhood where the Bunches that is my great-grandfather's family settled in Ark. on land given to him by the government for his services during the War of 1812. Part of that land is still in the family. It is owned by Mrs. Jeanie Fancher, widowed daughter of Tim and Elizabeth Bunch. Tim's father was Larkin Bunch, son of Nathaniel, Sr. Lark was killed in the Battle of Pilot Knob, Mo., during the Civil War and was buried in the same grave with my Uncle, Lieut. John Allred.

Elizabeth Bunch, Tim's widow lives with her dauther Jeanie in the old home. She is about 98 years old and reasonably healthy although she doesn't get out much.

We visited the cemetery where my parents, my **Allred** grandparents and the Bunch Great-grandparents are buried. Also a number of other relatives. I never knew if my great-grandfather John Allred ever came to Arkansas but I found one grave not far from my grandfather's grave, which had a hand hewn rock headstone, very old, with the Name John Allred, born June 7, 1776, Died Nov 5 18__9. The third figure was not plain enough to make out but I think it was meant to be a "4". So I think itmust be my great-grandpa's grave.

Yes, Ada Hill is still living in Harrison, though I think she makes trips away sometimes. Her twin sister, Edith Andrews, lives in Little Rock. Also living in Harrison is her brother, Frank Marrs, who, I think, is 79 years old; two sisters, Josie Wilson who is 93 and very pert; and Francis Clark, 90. They are the children of my father's sister, Nancy Allred Marrs. The list Ada Hill gave you of the children of Samuel Allred and Anna Bunch is correct. It was given by my Aunt Nancy while her mind was keen. Also, Ive heard my father call their names many times.

In 1857-58 there was an epidemic of what was later believed to be typhoid fever which took the lives of a large number of the early settlers, among them were my grandfather and six of his children; also my great-grandfather, Nathaniel Bunch, Sr. According to the dates on the tombstones, Samuel T. Allred was born Oct. 6, 1809, died Nov. 14, 1857. AnnaBunch was born March 24, 1814, died June 21, 1893. The Newton Co. historian gave her birth as 1817 which is a mistake.

I've heard my father say many times that his mother had eighteen children, 6 boys and 12 girls. He never knew some of the older ones, but he often called their names and told of incidents in their family life that he'd heard from the others. The Francis A. Bunch you spoke of who wasliving with Nathaniel Bunch Sr., in 1850, must have been Francis Allred. She would have been about the age of 16 at that time and I notice she is not named in the Allred family by the census, so she musthave been staying with her grandparents as they were quite elderly by that time.

Anna (Allred) Smith's Letter:

I notice that the census of 1850 has Obediah where it should be Obedience (Biddie), Isaac for Isiah, Andrew for Adeline and Samuel for Nelson. Susan, Reuben, Eliza and Cynthia were all born after 1850.

2 - John Allred, married Polly McCollough, one son, Larkin, was born, the mother died. John left his baby with Grandma and went to the army. Was killed in the battle of Pilot Knob, Mo., was buried in the same grave with his uncle, Larkin Bunch. Grandma raised Lark. He went to Texas and made a successful doctor. The last I heard his family lived in Winters, Texas, but he died several years ago. I think he had at least four children.

FAMILY TREE OF THE BUNCH FAMILY

Compiled by Allen P. Bunch, 1951. Copied Sept. 1960, by Geneva King, from a copy on loan from Eunice Bunch Bradbury.

The Bunch family was first found in Flanders before the uprising between Holland and France, moved to Scotland during the religious uprising and was known to have lived there for 400 years.

The first record of the Bunch family in this country was of a John Bunch in Virginia in 1631 or 1632. In 1663 the record is that John Bunch patented 400 acres of land in KentCounty, Virginia. In 1722 John Bunch (perhaps another man) patented 400 acres of land in Hanover County, Virginia, which had been a part of Kent County, Va. He (or is thought to be the same man) patented 400 acres in 1725, and again another 400 acres in 1728. Then a William Bunch patented 400 acres in 1738, and in 1767 Samuel Bunch patented 400 acres in Logton (Louisa?) County, Va.

In 1732 there is a record of five Bunch brothers in Alexandria, Va. In 1752 there is record of the death of John Bunch in Louisa Co., Va., which was a part of Hanover County. The record is that his property was bequested to his five sons: John, Henry, William, David and James. On account of the records being destroyed during the Civil War, we are unable to trace the family relations. But think it safe to say that David Bunch was a grandson of the John Bunch who came to Virginia in 1631 or 1632; or a least a descendant, having lived comunity in Kent, Hanover and Louisa Counties.

(The above is a summary of a manuscript by R. H. Bunch, 6358 Minerva, Chicago, Ill).

Our tree begins with John Bunch, whose parents must have originated from the family of Bunches who settled in Kent County, Virginia in 1632, whose sons became land owners in that country.

John Bunch - lived Louisa Co., Va.
1.
Children - John, William,Henry, David, and James.
2. - David Bunch, born 1722, Virginia, son of John Bunch 9
Children of David - John, Oct. 10, 1747; Joseph, June 6, 1749; Nancy, April 15, 1750; William, November 15, 1752; James, Dec. 30, 1754; Mary, May 20, 1757; David, June 5, 17509; Thomas Feb. 17, 1765; Paul, May 5, 1772; Nathaniel, Aug. 25, 1776.
3-David, son of David Bunch, June 5, 1759 is the ~~father~~ ANCESTOR of R. H. Bunch of 6358 Minerva Ave., Chicago.

4. Nathaniel Bunch, ~~son of David Bunch,~~ Item 2, page 1~~, born Aug. 25,1776,~~ in Virginia married Nov. 25, 1810 to Sarah Wade Ray. Nathaniel Bunch served in the war of 1812 under Andrew Jackson, for which he received a bounty land W.C. Records 5995, and pension.

He was a volunteer in the Overton County Volunteers in the Tennessee Regment. Servied as a private in Capt.Abel Willis' Co. of the Tenn. Militia from October 4, 1813 to March 2, 1814, in an expedition again the Creek Indians. For this service he was allowed 80 acres of land on his application executed Dec. 27, 1850, at which time he resided in Newton County, Arkansas. Then again he was allowed 80 acres of land executed May 5, 1855. Nathaniel Bunch died Feb. 16, 1859. His widow was allowed a pension executed Aug. 19, 1873. She was then 80 years old and ~~li~~ lived in Carroll County, Arl. The following children were named in her application for her pension. -

(Note from Geneva - In checking above data with original manuscript by R.H. Bunch, find that nearly all dates above are in error, family names are confused, and line of descent is wrong. For correct information see copy of original records of R.H. Bunch of Chicago)

Mr. Nathaniel [illegible] Bunch
706 East 9th St.
Coffeyville, Kansaw

My dear Mr. Bunch:

I am seeking information about the Bunch family and I wrote to Carl Bunch of Phoenix, Arizona, and received the following reply. Thought it might interest you as he apparently is of your branch of the family, although I could not find the connection in examining data you sent me.

Mr. Richard H. Bunch
Chicago, Ill.

Dear Mr. Bunch:

I received your letter of Feb. 22, regarding the genealogy of the Bunch family. The data you have that my grandfather was Bradley Bunch, and that my father was Elias Conway Bunch is correct. My father came to Arizona about 1876 and I was born at St. John, in Apache Co., Jan. 1884. There are two brothers living here: Alvin L. Bunch and Leroy Bunch, and one sister, Mrs. Edith Strough. I never heard very much about my ancestors but I do know that my father's brother, T.S. Bunch, was here in Arizona and he had three sons, Hugh, Edwin and Thomas. My father was born near Berryville in Carroll County, Arkansas, and my grandfather lived there until his death.

(Signed) Carl Bunch
Rt. 10, Box 637 B
Phoenix, Arizona

I received a letter from your Uncle Will Jack Bunch in which he states that he was born in Newton Co., Feb. 25, 1868; his father, Charles F. Bunch was born in 1844 and died in 1928. His grandfather was born in Overton Co., Tenn., in 1812, moved to Missouri when a young man, and stayed two years before moving to Arkansas and settled back in the Ozark Mts.

In looking over data you sent me I see you neglected to give your father's family, wife's name and name of children. Neither did you include your own family. Would like very much to have same, including dates. I figure you are descended from David (1722-1776) and Mary. I have succeeded in getting descendants of their sons, John, William and Pouncy. Pouncy was my great-grandfather. Believe I have a start on descendants of their son David.

Will J. Bunch said would write a woman in Mars who he thinks has information. In having postal connection with Mars, Arkansas is far ahead of balance of the Country!

Sincerely yours,

(Signed) R. H. Bunch.

Sir:

Enclosed you will find what information I can give you about the Bunch family:

Nathaniel Bunch, Captain of Tennessee Militia, who fought in the Battle of New Orleans under Andrew Jackson. He had a son killed during the war, leaving a widow, Liza Bunch, and two or three sons. The widow then married a Mr. Reeves at Berryville, Ark. There was another son by the name of Bradley. He married Jane Boswell. There were 13 children. I think that all were born at Berryville, Carroll County. They were Dallas, Nathaniel Columbus, who fought in the Civil War. He had a brother - I don't remember the name - who went into the battle with him but disappeared and nothing has been heard from him since.

Nathaniel Columbus had quite a family. The only ones I can remember the names of are Sam, Albert, Emma (who married a Doctor at Berryville) and Charley, Larkin who has been dead a number of years; Caroline, married Hale Champlin before the war; Lucittia married Billy Woods during the war; Donia died some 50 years ago; Laura Alice (Larkin's twin) married a fellow by name of Keck, all at Berryville the last heard from.

S. Thomas Stanford (an attorney) who married Ova Scarbrough at Berryville and came to Arizona, they had 3 sons; Hugh, in the grocery business, Globe; Edwin, an engineer on the Southern Pacific, and Thomas Stanford, a patient in the Veterans' Hospital Tuscon. They were married but had no children.

Elias Conway, son of Bradley, who married Lucy Biglow in St. John, Arizona, have one son, Carl, who married BerthaChapman in Phoenix and has two boys, Joe and Clarence and om daughter, Mary Emmagene. Lucy Biglow died on Sept. 6, 1865 (?). He married Lydia Ellen Weatherford at Berryville and came back to Arizona. They had 7 children, as follows: George Otis, born Feb. 22, 1887, died Jan. 29, 1890; Edith, born July 24, 1890, who married Hubert Strough April 1, 1908, and have four girls; Elias Conway, born July 7, 1893, died Sept. 29, 1918, no heirs; William Rufus, born Jan. 15, 1899, died April 2, 1922, unmarried; Alvin Luther, born Feb. 13, 1903, married Hazel Miller, and have one girl, Beverly Marie, and lives at Prescott, Ariz.; Leroy, born Feb. 15, 1905, married Lorene Douglas in 1924. They have one girl, Barbara Ann, and live in Phoenix.

If there is something more I can tell you I'll be glad to do so. I hope this will be of some help to you.

Mr. N.C. Bunch
Coffeyville, Kansas

My dear Mr. Bunch:

Your letter of the 25th ult. received. Was glad to hear from you and get the additional information you gave me. I have written to some of the Cincinnati and Covington Bunches whose name you sent me. Hope they will result in some new information.

Hearing there were some Bunches in Phoenix, Arizona, I obtained names and wrote to some of them. They proved to be relatives of yours so I am enclosing copy of letter I received from Mrs. Edith Bunch Strough. You may find some new information in same.

I have been writing to Bunches wherever I hear of them and never know who they are. I heard of some Bunches in Seattle so looked up names in Telephone Directory and wrote to several of them. I received a most agreeable surprise and one of the parties to whom I wrote turned out to be a great grandson of my uncle, Dr. Hillary P. Bunch. Last I knew of him was that he was practicing medicine in Genoa, Ohio, in 1861, and I had given up all hope of getting any trace of his descendants. The grandson had a copy of Hillary's family, but knew nothing about movements of same except that three sons were living in Keokuk, Iowa, after the Civil War.

If I can get track of my Uncle William's descendants I will have record of all of my grandfather's children. Uncle William went out to Davis County in Iowa about year 1870 and from there to Arkansas where my father lost all trace of him.

Sincerely yours,

(Signed) R. H. Bunch

Mr. Nathaniel C. Bunch
Coffeyville, Kansas

My dear Mr. Bunch:

I believe I have properly co-ordinated the data and information sent me by Edith Bunch Strough, Ada Hill, Will J. Bunch and yourself, and as I am making up copies of all data I have of the various branches of the family I am making extra copies of that of your family, which I am sending to you and the 3 above mentioned. Would send you copies of all the data I have but do not feel that I should stand the expense. It would take 50 or more pages of stationery and it would cost somewhere around a dollar simply for stationery and postage for mailing copies. To members who requested copies I offered to send them for a minimum of $1.00. Some have sent $1.50 and $2.00. Do not think I am soliciting any orders. It takes hours of work to make up copies, and I only am doing so as an accomodation.

I have been unable to place your family in relationship to that of David and Mary, ancestors of the other families. Until Ada Hill gave me the information that Nathaniel's parents were CHARLES and MARY BUNCH I concluded that he was the son of David and Mary. On account of the general use of so many of the same name, especially combination names and the unusual nmes of Winney and Lucresea I feel certain that the families are related. Not finding the name CHARLES in either the family of David or his father, John Bunch, I figure that our common ancestors was of an earlier generation, possibly that of David's grandfather. The names are entirely different from those used ~~fax~~ by the Carolina Bunches.

I regret that none of you seem to know anything back of Nathaniel's parents. Where they came from when they moved to Tennessee. As Nathaniel served in the War of 1812, I have written to the Veteran's Administration to see if they have any information. If he applied for a pension I will have copy of the record. Have been able to get valuable information from them about a Pouncey Bunch who I could not place. He proved to be my grandfather's brother.

I want to thank you for the information you have given me. You will find quite a lot of information in data I sent you, in addition to what you sent me.

Cordially yours,

(Signed) R. H. Bunch.

Mr. Nathaniel Calvin Bunch 12622
Coffeyville, Kan.

My dear Mr. Bunch:

I am enclosing copy of a letter I received from Allen P. Bunch of Bakersfield, Calif. Thought it might interest you as he is of your branch of the family. As you will see, he is a son of Lee Bunch and Tennessee Newberry. In data you sent me you said Lee Bunch family had been lost track of.

The way I heard of him was that a Mrs. Smith of Pasadena, whose maiden name was Bunch, sent me a newspaper clipping telling of death of Lt. Paul Bunch, giving his father's name.

I am disappointed at my inability to trace your family back of Nathaniel (1793) who lived in Overton County, Tenn. In your last letter you said you was going to dine with a Mr. Bunch and might get some data from him. Did you have any success? This Allen Bunch and a Dr. David Bunch of Davis County, Iowa, are the only new names I have contacted during past year.

Sincerely yours,

/s/ R. H. Bunch.

Mr. Richard H. Bunch

Chicago, Ill.

Dear Mr. Bunch:

It must be that we are at least a bit akin. As I have always been interested in my family relations, and I am indeed proud to have contact with some one of the name that is interested. You, however, have shown a greater interest along that line that I, as you have a much longer history than I can produce.

Lt. Paul and my younger son, Truett, were on a trip through the east last fall and as they passed through a town they happened to see a sign with the name "Bunch", and they stopped and made themselves known, and the Mr. Bunch told them of you and they took your name and address with the intention of writing you, but had neglected to do so. But when your letter came, Truett at once called to mind that he had been told of you. I am indeed glad to make your acquaintance whether or not we can trace any relationship.

I have not written history of our family, and all I can tell you will just be from memory and as I recall what my father told me. As I recall - my great-grandfather and one of his brothers (John and Calvin, and I do not know which was my great-grandfather) came to northwest Arkansas about 1845 from Tennessee, first located in Boon Co., then moved to Newton Co., on the headwaters of Osage Creek. It appears to me that my grandparent was killed or died just at the outbreak of the Civil War.

My grandfather was named John, and he had brothers Nathaniel (Nat) and Bradley. Nat was a farmer - school teacher and Justice of the Peace. He had sons Sanders, Henry, Pearce, Jim, Lewis and Nat. All lived in Newton and Carroll Counties; his wife was a Newberry. Bradley Bunch lived in Berryville, Carroll Co., and had sons - Tom, a lawyer who at last report lived at Flagstaff, Ariz; Columbus, who lived and died at Berryville, also Larkin lived and died there. Both were teachers. Bradley was a well-to-do farmer and for several years represented the County in the State Legislature, and was County Judge for several years and until his death.

My grandfather had sons - John, Jim, by a first marriage; then William (Buck), Lee P., Tom and Jack. They are all dead now. Buck came to California about 1868-72, only remained here a few years and returned to Arkansas. Too, there was a Bradley who was killed in the Battle of Bull Run, and Charley who did service in the Southern Army, and lived a farmer in Carroll County and died there. Tom died a few years ago in Amarillo, Texas. Jack died while a young man.

Too, there was another Calvin Bunch, and I do not recall as to what family he belonged He had two sons, and probably more, but John for years was in charge of the U.S. Land Office at Harrison, Boon Co. I believe he was appointed to that position by President Cleveland during his first administration. Was still there the last I heard. Joel was a banker, and became very wealthy at Kingston, Madison County, Ark. Still there at my last information.

My father, 129 Lee Bunch, was born in Boon County in 1851, married Tennessee Newberry in Newton Co., moved to Carroll Co., was a farmer and owned a Grist Mill run by water power of the Osage Creek. My mother was drowned in that creek by a horse falling with her in the water on April 14, 1881, or 82. They were parents of six children, 3 boys and 3 girls. John 1292 lives at Hartman, Johnson Co., Ark.; 1294 Frank and 1293 I live here. Too, by a second marriage, there are two sons, Onnie and Lark. Onnie 1297 lives at Ault, Colorado. Lark 1298 at Butte, Mont.

I had four sons - Douglas J. of Los Angeles; Ellis D. of Bakersfield; Lt. Paul W., deceased; and Truett, 18, a Senior in Junior College, Bakersfield.

18(10) Henry (I liked to have forgotten him) son of 18 Nat. was a school teacher for a period at Clarkesville, Johnson Co., and was County Clerk, as my information says, of Carroll Co., and, if still living, is there now. I believe for further information and for corrections of what I have given I would suggest that you write Henry Bunch, Berryville, and John Bunch, at Harrison, or Joel Bunch at Kingston. These are the oldest of my people that has lived in touch of the family, and if they are still living will be able to assist you.

Lt. 12933 Paul Windell Bunch was born January 25, 1916, Abilene, Texas, died in an airplane crash March 8, 1941, at Shafter, Calif. He was a graduate of the State College at San Jose, and had done post graduate work at Berkley, graduated at Randolph and Kelley Fields at San Antonio, Tex., appointed to the transport service, U.S. Army at Sacramento, Calif. We have letters from the Army Officers telling of how they appreciated him as a comrade, and his unusual ability. But above that was his truly Christian life. He had spent all his spare time doing YMCA work, of which he was very fond. He loved the boys. He was used to leading many of his boys to accept Christ as a personal Savior, which gave him his greatest joy. At each of these places in school he became a Sunday School teacher, and we have letters from so many boys and others, saying he was their example, and inspiration. One man making a public speech referred to his going as the passing of Kern County's foremost and model young man.

Next Sunday there is to be a dedication of some kind of memorial in memory of him in a church in North Sacramento. A class of some 40 boys call their class "The Paul Bunch Memorial Class". Some similar words came from San Antonio. You see the great loss is not all ours for he will be missed by a host of boys who have taken him for an example, of what they mean to be.

He not only was an obedient boy, and wrought so nobly while here, but he provided so graciously for us in insurance. He was surely a most noble son of whom we, or any parent, should be proud. I do not know any great man who rose to honor of the Bunch family, but to a man we have always been an asset to the community, and not a liability. I do not recall now of but one of the Bunch family ever being in jail, and none every being convicted of a crime. I therefore am proud of the name.

Yours,

(Signed) Allen P. Bunch

ps There is in Los Angeles the Bunch Airplane Company; also a Bunch who makes the Glider planes. There is also a Bunch connected with the Adventist School at Pomona, Calif. I met him several years ago but did not learn much of anything of his family.

I have been working for the last 23 years for the Southern Pacific Railroad. Was born Oct. 27, 1877, at Rule, Carroll Co., Ark., lived in Wyoming nearly six years, in Texas about 14 years, and now in Calif. for 23 years. I plan to kmxx retire 'n another year and a half and live in Los A ngeles. Would like to hear of your success in your efforts, and if I'can be of any assistance you may call on me.

Yours, - A.P.B.

ps I have an address from a firm - Colonial Research Bureau, 5022 3rd St., N.W., Washington, D.C., offering a History of the Bunch Family for $1.00, which I wrote them some of what I know of my family and said if their history covered any of my people to send me a copy C.O.D. This was Feb. 17th, but I have not had any word from them.

Coffeyville, Kansas

Dear Cousin Nat:

Yes, I am the fellow you remember. I am the son of Lee Bunch, and stayed at the home of Uncle Charley and went to school at Blackjack with you when you were about 8 years old. It was in 1895 or 6. You and Hugh and your mother were there that summer. Henry Davis was the teacher. You could not talk very plain then or at least there were several words you could not say. We had lots of fun having you to spell "Kitty's". You would say "Kosterphe", and you knew you were not saying it right and would try to say it quick so we would not notice the way you spoke it, and that made it funnier than ever. I will never forget those happy days.

I afterwards taught school at Antioch, there close to where John lives. I left there for Wyoming and stayed out there for some nearly 6 years. From there I went to Texas, and married Nettie Douglass, whose father lived at one time (and her mother died) at the old house that was used as a hay barn just above the big spring you spoke of. I first met her while I was in school there at Clark's Academy. I graduated from there with Tom, John and Belle. So you see I am well familiar with all the surroundings.

I will say too that you had another Aunt that you did not mention, that was Louiza 1261, just older than your Father 1262. She married a Mr. Sparkes. They had at least 2 children. Bee 12611, she was in school with us there at the Academy; and a son, and I have forgotten his name. Yes, I was back in Berryville in 1926, and saw Will Jack 1264 and Sally 1263. I knew their wives when I lived there, went to school with Ida Gaddy, John's 1267 wife.

I did not pitch ball for the Berryville team, but played a game or two with the Blackjack School. I never was much on a ball team. I liked debating, speaking, drilling better than ball.

Glad to know about your family. As sure you are proud to have such nice girls. My family are all boys. I had four. Douglass, the oldest, is married and lives in Los Angeles. Has a job with a whole-sale company with a good salary. Ellis ismarried and worked for several years with the Express Co. here and in Los Angeles, but lives now about five miles from here on an Orange orchard and sells oranges for his father-in-law. He has a good job. He has one baby girl. Paul was killed in an airplane wreck March 8 last. He was a graduate of the State College at San Jose, and of Randolph and Kelly Flying Fields, and was a Lieutenant in the United States Air Corps. He was a real son, a good student, and true Christian. His church work was so outstanding that the Church in Sacramento where he attended held a memorial service in his honor to which we were invited, and a Church in Oakland has invited us up there to attend a like service for him. He was for several years a YMCA worker. We have letters from Dayton, Detroit, San Antonio, and many others out of the state expressing their sympathy for our great loss in

his misfortune. The funeral was one of the largest that was ever held in Bakersfield. His former pastor at San Jose and the YMCA Secretary spoke. I am sure you never saw such a lot of the most beautiful flowers as was presented by folks both near and afar. It was our first contribution to this awful war. And, oh, such a heavy cost to us.

Truett, our only boy at home, is graduating from Junior College this year. now in a few days: is 18 and a very fine boy. Has secured a scholarship at Occidental in Los Angeles, but has been urged to try for a scholarship at Cornell and is to make a visit there soon and will know soon. He also has been working for some time as a YMCA worker, and will go to Honolulu as soon as he gets back from New York. He will be there for the summer.

Yes, I have had 2 very nice letters from R. H. Bunch, and I appreciate them very much. He has corrected me on our family record. He also spoke of having received a letter from you, but I did not connect what he said with you. There are several Bunches scattered over this country. One Mr. Bunch is manufacturing airplanes in Los Angeles; one makes experimental gliders, and I hear of others. There was one here and was hurt, and in a hospital and I went to see him but by some means I failed to find him.

I believe Mr. Bunch has Uncle 126 Charley's wife wrong as I remember your grandmother Bunch was Hammie McColough, a sister to Preacher Dave McColough. As I remember my grandfather's brothers and sisters were: John 12 (my grandfather, born 1812, married Louisa Qualles. I had thought her name was Smith.) Annie 13 married Dave Alread, had 2 children as far as I know - Ruben and Effie. Effie married a Mr. Kerby. Their children's names all begin with the letter "F". Fletcher, Foster, Flem, and Flaggon, and the girl's name was Effie. I did not know of a Charles Bunch, a brother of my grandfather. Calvin Bunch lived in Madison Co., near Marble. He had 2 sons; one was 4 John, who was appointed by President Cleveland as U.S. Land Commissioner at Harrison. 1(0)4 Bradley 16 Bunch was the State Senator and lived there by your grandfather. His sons were Conway 16-10, Tom 16-8, of Phoenix, Arizona; Columbus 162, who lived and died there at Berryville; and Larkin 16-12, who died there at the old home place while we were at school there. There were 2 girls - one married Billie 167 Woods and lived just south of Berryville, about 1½ miles. I stayed there and went to school after moving from Uncle Charlie's. And Cubby 16-13, married George Keck, and lived on the old home place the last I have heard. I never remember of hearing of one named Obedience. Nathaniel 18 married Orlena Newberry, who was a sister to my mother's father, Montgomery Newberry. They lived on the head of Dry Fork, and had the Post Office of Dinsmore at their house at one time. I have been there a time or two. They had a large family of boys; Sanders 182, Jasper, Jim 183, Lewis 181, Henry 18-10, Andy 186, John 185, and Nat. One girl, Sarah. 184 They all lived in Carroll and Newton Counties. Some 5 or 6 of them were school teachers. I did not know just how we were akin to the Whiteleys, but this Mr. Bunch tells me that a Nancy 18 Bunch married a Whiteley, which I suppose is true for I know we were kin in some way, but I thought it was on my mother's side. I believe I have known something of a Larkin of the older set but I cannot recall anything definite.

As to my grandfather's sons, my uncles, there were by a former marriage two sons, John, then William 122 (Buck), Charley 126, Lee 129 (my father), Jack, and Tom. 12-13 Too, there was Bradley 124, who was killed in the Civil War, 1221 Uncle 122 Buck's family all came to California about the time I was born. John never went back and was living at Fresno the last I knew of him. He has visited us several times and we have been at his home several times when he lived in Dinuba, but since

going to Fresno I had not heard from him. 1222 Stilley married in Arkansas but came back to California and died at Paso Robles, Calif. I have not met any of his children. They were all girls; nurses and business girls. He married a Ramsey. Tom and Jake both died ~~ik~~ here in California. Cynthia married Till Hopkins at Rule, Arkansas. You seem to have your grandfather's family all straight. Your Aunt Louiza Sparks must have lived either on Buffalo or down in the section near where Tom now lives.

My brothers and sisters are 1292 John, living at Hartman, Ark: 1294 Frank is here with me; 1291 Josie and Louiza live at Paris, Texas. Josie married Andrew Pryor, 1295 Louiza married John Whitlock; 1296 Mantie married Jim Hambay and lives at Rudd, Ark. They all are widows. Their husbands are dead. 1292 John married Chloe Phillips, a cousin. 12(13) Uncle Tom married Mat Chase, and had 3 boys and lived at Amarilla, Texas. One, 12(13)1 Albert, was an engineer on the Fort Worth & Denver RR. Elbert lives in Rudd, Ark. I do not know about the others. Uncle Jack 12(12) died when just a young man.

My Aunts were Mary 123 McCoulough, Aunt 125 Elizabeth Phillips, wife of Miles Phillips. Aunt 127 Nanny married my mother's brother, Alex Newberry; Aunt 12-16 Kitura married John Wilson, lived and died at Rule. Aunt 12-(11) Caroline married George Jackson, who after her death married Mrs. Gaddy, your 12(17) Uncle John's wife's mother. He still lives at Rule as far as I know. Uncle 124 Bradley, who was killed in the Civil War, had a boy and a girl, John Wesley and Mary Ann Burcham. I do not know about the half-uncles. I only remember seeing one of them once. Aunt 128 Margaret married Mr. McKellip and after his death married Mr. Mottley. She was still living at Joplin, Mo., 2525 Quincy Street.

I believe that this is all I can tell you for I know nothing back before my grandfather. I am so glad to ~~tkm~~ get these lines from you and hope to hear from you again. I feel that I am getting old. I was born October 27, 1877, at Rule, Ark., so you see I am not a ball player anymore, anyway. I have been working for the Southern Pacific Railroad for 23 years and will be ready to retire in another year and a half. I am a Deacon in the Baptist church, and teach a class in Sunday School. I want to be of service to My Lord until he calls me home. If you have not made that preparation please do so now. I carry insurance with your company, their office in Los Angeles, Calif. We have four policies.

P.S. I also have two half-brothers: O.A. Bunch, of Ault, Colo., and Larkin Bunch of Butte, Mont.

Nathaniel Bunch was born April 23, 1793, place not stated, nor were the names of his parents given.

Nathaniel Bunch volunteered in Overton County, Tennessee, served as a private in Captain Abel Willis' Company of Tennessee Militia, from October 4, 1813, until March 2, 1814, in an expedition against the Creek Indians.

He was allowed 80 acres of bounty land of his application executed December 27, 1850, at which time he was a resident of Newton County, Arkansas. He was allowed, also, 80 acres of bounty land on his application executed May 5, 1855, then a resident of said Newton County.

Nathaniel Bunch married November 15, 1810 in Overton County, Tennessee, to Sarah Ray. The date and place of her birth and names of parents were not given.

The widow, Sarah Bunch, was allowed pension on her application executed August 19, 1873, at which time she was aged about 80 years, and living in Newton County, Arkansas. Her Postoffice address was then Carrollton, Carroll County, Arkansas.

The following is a copy of a list of the names and births of the children of the Soldier, Nathaniel Bunch and his wife, Sarah, which was submitted in 1873 in support of the claim for pension of the widow:

THE BUNCH FAMILY OF VIRGINIA

In 1640 there were only 15,000, and in 1680 only 40,000 white settlers in the Colony of Virginia, which at that time was comprised of what is now known as the State of Virginia, and all territory west of the central part of Pennsylvania to the Mississippi.

New Kent County was founded from York County in 1652 Hanover from New Kent in 1700 and Louisa from Hanover in 1742.

1601/2 John Bunch came to Virginia
John Bunch patented 400 acres of land in New Kent County
1722 John Bunch Jr. patented 400 acres of land in Hanover County
1724 John Bunch patented 400 acres of land in Hanover County
1735 Paul Bunch patented 400 acres of land in Hanover County
1700 John Bunch patented 400 acres of land in Hanover County
1738 William Bunch patented 400 acres of land in Hanover County
1767 Samuel Bunch patented 400 acres of land in Louisa County

One of the parcels patented in Hanover County by John Bunch was in that part of the county later changed to Louisa.

1732 Five Bunch brothers landed at Alexandria, Virginia.

1742 John Bunch died in Louisa County, bequeathing his property to five sons; John, William Henry David, James. On account of the destruction of Public Records during the Civil War, I have been unable to trace relationship but think it safe to assume that he was the grandson of the John who came to Virginia in 1601-02.

1772 David, son of John Bunch, was born in Louisa County. In his Bible is recorded the names of the following children.

John	10-21-1747	Lavinia	1-27-1761
Joseph	6-15-1749	Anthony	11-14-1762
Nancy	1-15-1750	Thomas	2-17-1765
William	11-30-1752	Nathaniel	7-25-1767
James	12-9-1754	______	12-29-1769
Mary	5-30-1757	Paul	5-28-1772

I have family linage of David's son ______ (My Great Grandfather). Also, of a John Bunch and Nathaniel Bunch who I believe to be sons of David.

I also have linage of one of the descendents of four of the five brothers who came to Virginia in 1732, covering the five generations.

The family was first found in ______ moved to Holland during religious uprising and were known to have lived there for 400 years.

Mr. J.B. Bunch
Huntsville, Arkansas

Dear Sir:

While passing thru Tulsa, Okla., last Oct., I was able to locate my cousin Calvin Benton at Sand Springs, Okla. He said he talked with you last summer.

I have additional information on the McCollough family. The father of Moses M. (Morris) was Moses. He moved to Newton Co., about 1840. He lived in Osage Twp., near Osage, Ark. After the death of his first wife he married the motherinlaw of his youngest son Moses M. McCollough. He had a son named Neute Elise Conway McCollogh born Mar 9, 1858. Moses died before Conway was born.

The census record of 1850 lists:" Moses McCollough, a farmer born in N.C., 1794 and Mary H., his wife born in Va. 1796, lived in Indiana and Tenn before coming to Osage Twp. David, born in Ind. 1824 and Morris born in Ind 1833 and Elender born in Tenn 1837 lived with the Moses McCollough family. Bootnote indicates two boys age 23 and 19 not living at home. I have been told one boy was named Thomas and one named Aaron.

Also listed in 1850 census of Osage Twp, Stephens McCollough, a farmer and Elizabeth his wife were born in Tenn. 1811 and 1816, respectively. They came to Osage Twp in 1843. The family as recorded in 1850 were James C. 14, Sam 12, Will 10, Avery 7, and Benj. F. 5, all born in Ark.

The father of Moses McCollough (Sr) is undoubtly named David. He was supposed to have fought in the Rev. War. I hopeto have proof of this soon. David or his parents were supposed to have come from Dublin, Ireland. McCollough is a scotch-irish name.

There is a gourd which came from Ireland passed down from the 7th son (or youngest son) to the 7th son. It is now in possession of Cleo McCollough who is the youngest son of John David McCollough. John David was the youngest son of Moses M. McCollough.

I have photographs of the grave stones of my grandfather Salomon C. McCollough and Moses M. McCollough. I do not know whether or not my great-great-grandfather Moses had a grave stone.

I would appreciate knowing if you have any knowledge of a grave stone of Moses McCollough near Osage or know who might be able to assist.

Yours very truly,

/s/ HUGH BENTON
